God Rejects Saul Craft Ideas

Gustav Friedrich Oehler

God Rejects Saul Craft Ideas:

True to the Faith David Gooding, The Acts of the Apostles is about more than the spread of the gospel to the ends of the earth By the time the ascended Christ had sent the Holy Spirit to guide his disciples they had no doubt what the basics of the gospel message were that Christ died for our sins was buried and rose again the third day and would one day come again But according to Luke s account difficult questions and challenges arose for the apostles as they began to spread this message These questions when once settled by the apostles would further define the gospel with answers that are definitive for us today By carefully tracing Luke s presentation of the historical material David Gooding shows us that Luke has arranged his historical material into six sections each containing a set of issues and a dominant question that confronted the church Was the gospel to be under the authority of the Jewish Sanhedrin even when they called into question the deity and messiahship of Jesus Would the temple and its entire system of worship become obsolete because of Christ s sacrifice at Calvary as Stephen claimed What would God do when the observance of his own food laws became a barrier to preaching the gospel to Gentiles such as Cornelius How would the apostles decide about the rite of circumcision and its relationship to salvation How would the gospel distinguish itself from the spiritism idolatry religions and philosophies of the pagan world and state positively its own answer to questions of the origin of the universe and life s ultimate goal And how would Paul defend the gospel at the highest levels of society against every kind of misrepresentation when he found himself under the power of Roman law and order The conclusions that the apostles and the early churches reached under the guidance of the Holy Spirit are profoundly relevant Their defence against each new challenge confirmed the truth of the gospel for every generation of Christ s disciples David Gooding s exposition echoes Acts powerful unspoken exhortation to examine ourselves honestly to see whether the Christianity that we represent and the gospel that we preach and defend are uncompromisingly the same as those established by the apostles of our Lord Jesus Christ **KJV Kids Study Bible** Hendrickson Publishers,2020-01-01 Kids know the Bible is important after all it contains God s message of love for them all other people and the universe he created But where does a young person begin studying what s between the covers of this big book What kind of things will help a child get the most out of the history stories and teachings it contains This special edition will encourage readers aged 8 12 to begin the adventure of lifelong Bible study It contains the complete Old and New Testaments of the renowned King James Version plus a wealth of extra features that will deepen their understanding of the Word of God Features Presentation page for personalizing the Bible as a gift Words of Christ in red letter 16 full color charts and illustrations Book introductions Hide It in Your Heart in text memory verses Bible People You Should Know in text cameos of important personalities The Passion in Parallel and Prophecy Parables and Miracles of the Bible Dictionary concordance 8 page full color map section **KJV, Know The Word Study Bible, Red Letter** Thomas Nelson,2017-09-12 The KJV Know the Word Study Bible offers three easy ways to begin studying Scripture and helps individuals transition from being a casual reader of the
