Bible and a new book The book was huge several hundred pages long and yet it didn't intimidate her Written by the beloved Chuck Colson *How Now Shall We Live* focused the lens of Sarah's life and spelled out a segregation that she had unknowingly been living with a segregation between her faith and the rest of her life She has since come to understand that The Lord designed each and every one of us uniquely and put a dream in our heart that is attached to His agenda for this world Many of us have felt the stirring in our heart to make a difference with our life yet we don't always know how The key she found was to surrender to God's leading seek him first and allow him to do the big things He has planned with our life In the end God's agenda and our dreams and passions will intersect around one very important phrase a battle cry if you will Make Jesus Famous Based on Psalm 145 this invigorating study motivates women to do life differently by making Jesus famous in all aspects of life Just RISE UP is a call to get off the couch of complacency live a life of praise with a humble posture and Kingdom perspective and step into a life of true purpose Features include Verse by verse study of Psalm 145 Snippets of conversations with Sarah's readers Journaling prompts to help the reader dig deeper Conversation guide for small groups
