God S Blueprint Of The Holy Bible Volume 1:

God's Blueprint of the Holy Bible Vol. 1 Felix Wantang, 2022-08-25 The Bible is the indisputable word of God the Bible is alive and will never die God gave the Bible to humanity as an instruction manual on how to conduct our lives to build a relationship with God and to help us understand His love for the human race This book will help you understand how and why the Bible is the blueprint of God s divine plan for the human race As you read this book you will also become familiar with the language of heaven Knowledge is power supernatural knowledge will give you supernatural strength You will understand and enjoy reading the Bible a lot better if you can see the supernatural mysteries buried in the Bible This book will help you unlock the secrets of the Bible and ultimately bring you closer to God through Jesus Christ **God's Blueprint**

of the Holy Bible Vol. 2 Felix Wantang, 2023-03-08 Life is about the choices we make it explains why God made salvation a choice For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3 16 The choices we make in life define who we are shapes our path and leads to our ultimate destination in life Have you ever looked in the mirror and asked yourself these three simple questions 1 What are the choices that govern my life 2 Am I on the right path 3 What is my final destination in my life If you can successfully answer these questions with absolute trust in Jesus Christ then you know you have made the right choices in your life On the other hand if you can t answer these questions with Jesus Christ in the equation then you know your life is on the wrong path The truth is part of what makes life very challenging and unpredictable is the fact that you cannot change the past but you can change the path to your future God gives us only one day at a time today is a gift and that s all you have Tomorrow is not guaranteed and today may be your last day on earth This book will help you understand God through Jesus Christ like never before and also help you make the right choices for a better future The kingdom of God should be your number priority and ultimate destination in life Jesus is coming soon **God's Divine Plan for Humanity - Vol. 1** Felix Wantang, 2023-01-31 This book

is Volume 1 of God s Divine Plan for Humanity series You are a very important part of God s divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God s creative library step by step to unveil the mysteries of God s plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the

world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24 1 2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16 33 God's Blueprint of the Holy Bible Vol. 1 Felix Wantang, The Bible is the indisputable word of God the Bible is alive and will never die God gave the Bible to humanity as an instruction manual on how to conduct our lives to build a relationship with God and to help us understand His love for the human race This book will help you understand how and why the Bible is the blueprint of God's divine plan for the human race As you read this book you will also become familiar with the language of heaven Knowledge is power supernatural knowledge will give you supernatural strength You will understand and enjoy reading the Bible a lot better if you can see the supernatural mysteries buried in the Bible This book will help you unlock the secrets of the Bible and ultimately bring you closer to God through Jesus Christ **The Ministry of the Word, Vol. 29, No. 06: The Preparation of the Bride** Various Authors, 2025-08-06 This issue of The Ministry of the Word contains the six messages from the Memorial Day blending conference held in Phoenix Arizona on May 23 26 2025 The general subject of this series of messages is The Preparation of the Bride **The Holy Bible Containing the Old and New Testaments** Adam Clarke, 1823 *The Holy Bible* Adam Clarke, 1832 *The Holy Bible: Book of Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon*, 1876

The Holy Bible, Containing the Old and New Testaments ..., 1856 *From Church House to Main Street: Volume 5* Edward Wayne Kimbrough, 2020-06-30 The express purpose of this book is to provide concrete evidence that the Bible is not just a religious book it is a scientific book that teaches us how the universe was created it is a social book that teaches us how to live peaceably with our neighbors it is a prophetic and historical book that reveals how God has worked in the past to fulfill His promises and purposes and it is a spiritual book that teaches how God has revealed his will and purpose for humanity The book is divided into five volumes which deal with questions that we might ask about the Bible and the origin of the universe The first four volumes of the book deal with the four dimensions of the Bible Volume 1 deals with the Physical Scientific Dimension of the Bible It seeks to answer the questions How did we get here How old is the universe And who are our Ancestors Volume 2 deals with the Spiritual Dimension of the Bible and seeks to find Universal Principles from God's Word that teach us how to live according to God's will Volume 3 deals with the Prophetic Dimension of the Bible It provides a historical record of how God has worked through the Nation of Israel to pre-determine the events and conditions of life and

judged the nation's responses to the events and conditions of life Volume 4 deals with the Social Dimension of the Bible It defines the four social institutions created by God the family human government the Nation of Israel and the Church and describes how the Universal Principles discovered in Volume 2 may be or have been applied in those four social institutions Volume 5 summarizes the bottom line conclusions and recommendations from the scientific analysis of the four dimensions of the Bible and it defines the meaning of the symbols that are used to represent the Universal Principles The Holy Bible, in the Authorized Version Christopher Wordsworth,1883 *The Holy Bible Containing the Old and New Testaments: the Text Printed from the Most Correct Copies of the Present Authorized Translation, Including the Marginal Readings and Parallel Texts: Matthew to Acts* Adam Clarke,1851 *A Tidy Faith* Jonathan F. Bayes,2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing proof texts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry **Annotations Upon the Holy Bible** Matthew Poole,1853 **The Comprehensive Commentary on the Holy Bible: Genesis-Judges. 1835** William Jenks,1835 Scriptural communion with God; or, The holy Bible, arranged in historical and chronological order, with intr. and notes, by G.
