The English Version of the Polyglott Bible Containing the Old and New Testaments Martin,1828 *The Vengeance of God* Eric Peels,2021-11-22 This book deals with the Old Testament theme of the vengeance of YHWH discussing both the exegetical and theological aspects of a biblical notion that until now has received far too little attention in scholarly research After an exploration of the Umwelt use of the root NQM vengeance avenge in the main part of the study all relevant Old Testament texts are dealt with in a thorough exegetical investigation This leads to a theological outline which stresses the important place and positive function of God s vengeance in the Old Testament revelation The theories of G E Mendenhall P Volz and K Koch with regard to the theme of vengeance are criticized Of special interest are the additional sections on the issues of blood vengeance and the imprecatory prayers *The English Version of the Polyglot Bible* ,1899

The English Version of the Polyglott Bible ... With a ... Selection of References to Parallel and Illustrative Passages, Etc. [The Preface Signed: T. C., I.e. Thomas Chevalier.] ,1816 *The English Version of the Polyglott Bible, Etc* ,1840

Remarks on the Revised English Version of the Greek New Testament Benjamin Wills Newton,1881

Scriptural communion with God; or, The holy Bible, arranged in historical and chronological order, with intr. and notes, by G. Townsend George Townsend,1849 **The Parker Society, Instituted M. DCCC. XL. A.D., for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church: Works of Thomas Becon, S.T.P** ,1843 **Understanding Hebrew Idiomatic & Figurative Language** Troy J. Edwards,2023-01-10 Does God hate certain people or does He love everyone Is He jealous of anyone Does He struggle with anger Is He looking for people to be terrified of Him Is He self centered and vindictive Can He be provoked easily Does He lead people astray Is He punishing children grandchildren and great grandchildren for the sins of their forefathers Some argue that the Bible teaches that God is the one who accomplishes all of this Sadly some have reached these incorrect conclusions because they were unable to appreciate the figurative and idiomatic language of Scripture This book Understanding Hebrew Idiomatic Figurative Language teaches us how portrayals of God when examined from the perspective of the Ancient Near Eastern culture from which Scripture was written give us a truly stunning image of the God who is exactly like Jesus *False Gods* Percy Dearmer,1914 *An Introduction to the Study and Use of the Psalms* Joseph Francis Thrupp,1860

Commentaries on the First Book of Moses, Called Genesis. By John Calvin. Translated from the Original Latin, and Compared with the French Edition, by the Rev. John King. [With the Text of Genesis in a New Latin Version and the English Version of 1611.] ,1850 **Let God Arise** W. Gregory Monahan,2014-03 Let God Arise draws upon an extensive array of archival sources to present the first modern account in English entirely devoted to the rebellion and war of the Camisards Combining traditional narrative with analysis W Gregory Monahan examines the issues that led to that

rebellion beginning with the conversion of the artisans and peasants of the remote mountain region of the C vennes to Protestantism in the sixteenth century its persistence in that confession in the seventeenth and the shattering impact of the Revocation of the Edict of Nantes which deprived Protestants first of their pastors and then of the itinerant preachers who attempted to take their place Beginning in 1701 prophetism swept the region and the prophets who believed they heard and followed the word of the Holy Spirit soon led their followers into violent attacks on the Catholic Church and rebellion against the crown A persistent and occasionally successful guerrilla war raged for over two years Monahan argues that the resulting war involved a host of often conflicting world views or discourses in which the various parties to the conflict whether the king and his ministers at Versailles the provincial intendant Basville and local officials the foreign powers the Church the generals or the Camisard rebels themselves often misunderstood or failed to communicate with each other resulting too often in terrible violence and bloodshed Let God Arise tells us much about the nature of the reign of Louis XIV and the popular religion of the time in exploring the last great rebellion in France before the Revolution of 1789

The Spectacle of the Body in Late Medieval England Estella Antoaneta Ciobanu, 2012 The volume The Spectacle of the Body in Late Medieval England represents a study on the human body representation in medieval England by approaching the concept of the spectacle as a space of manifestation The author clarifies the ways of understanding the body as a physical and metaphorical reality but also the medieval conceptualization of violence On top of that the author is making an investigation on the violent character of spectacles representation in pursuit of picturing this subject more clearly and more relevant The approach of the volume is dominantly Christian reviewing the representations of the body through outstanding figures of Christianity crucifixion of Jesus Christ body of Virgin Mary A Commentary, Critical, Experimental, and Practical, on the Old and New Testaments, by the Rev. R. Jamieson, Rev. A. R. Fausset ... and the Rev. David Brown. [With the Text.] , 1864
