Gods Doodle The Life And Times Of The Penis:

God's Doodle Thomas Hickman,2013-10-29 You will be impotent with both laughter as you read this remarkably entertaining and informative look at the male organ down through the ages undeniably funny Booklist Throughout history man has revered his penis as his most precious ornament From small to large thick to thin smooth to wrinkled Thomas Hickman lets the history of this mystery hang out for all to see Offering discussion of ancient literatures and mathematical quandaries of possible positions such as Greece s the lion on the cheese grater which still keeps scholars in a twist It is a stiff subject but we easily settle in with the likes of Bill Clinton Michelangelo s David and Shakespeare as they followed their heads If you were to wrap your hands around anything less than two inches it should be God s Doodle a brilliant history of the penis that hits the topic right on the head It reaches through time and looks at how the penis trended long before one was ever posted on Twitter A well researched dryly witty and worthwhile read Salon Tom Hickman tells the story of its ups and downs with enthusiasm and a mostly straight face The Economist God's Doodle Tom Hickman,2012-11-01

Throughout history man has revered his penis as his most precious ornament Yet ambivalently his penis has always been the source of man s deepest neuroses too Do women find it in the erect state inherently ridiculous Why can t a man be certain his penis will stand and deliver when he commands If and when it steadfastly refuses what can he do to remedy the situation And then of course there s the matter of size To possess a penis Sophocles said is to be chained to a madman God s Doodle examines the schizophrenic relationship between man and this madman and the joint relationship this odd couple has with the female sex God s Doodle is the tale of the penis and the ups and downs of history the macabre and the bloodcurdling the funny and the sad distilled from myth world cultures religion literature science medicine and contemporary life all told with mordant wit **God's Doodle** Thomas Hickman,2013-10-21 You will be impotent with both laughter as you read this remarkably entertaining and informative look at the male organ down through the ages undeniably funny Booklist

Throughout history man has revered his penis as his most precious ornament From small to large thick to thin smooth to wrinkled Thomas Hickman lets the history of this mystery hang out for all to see Offering discussion of ancient literatures and mathematical quandaries of possible positions such as Greece s the lion on the cheese grater which still keeps scholars in a twist It is a stiff subject but we easily settle in with the likes of Bill Clinton Michelangelo s David and Shakespeare as they followed their heads If you were to wrap your hands around anything less than two inches it should be God s Doodle a brilliant history of the penis that hits the topic right on the head It reaches through time and looks at how the penis trended long before one was ever posted on Twitter A well researched dryly witty and worthwhile read Salon Tom Hickman tells the story of its ups and downs with enthusiasm and a mostly straight face The Economist Penile Augmentation Nam Cheol Park,Sae Woong Kim,Du Geon Moon,2016-03-21 This book presents state of the art knowledge on penile augmentation with a view to providing a guide that will be highly relevant to clinical practice The coverage is wide ranging with clear descriptions

of penile anatomy patient selection and counselling preoperative preparation girth enhancement and penile lengthening techniques postoperative care and the approach to the pediatric patient Experienced surgeons describe operative procedures from traditional fat transfer to the penile disassembly technique and reconstruction of the amputated penis while the newest tissue engineering techniques are presented by leading researchers with reference to high quality data In addition the role of auxiliary medical devices is explained The text is supported by numerous full color illustrations Only recently have the requisite medical skills and techniques been developed to allow safe and reliable penile augmentation and now the procedure is considered comparable to the use of mammoplasty for breast augmentation in women for cosmetic and psychological reasons Penile Augmentation will be of value for all who are involved or interested in the procedure **The Mammoth**

War! What Is It Good For? Ian Morris, 2014-04-15 A powerful and provocative exploration of how war has changed our society for the better War What is it good for Absolutely nothing says the famous song but archaeology history and biology show that war in fact has been good for something Surprising as it sounds war has made humanity safer and richer In War What Is It Good For the renowned historian and archaeologist Ian Morris tells the gruesome gripping story of fifteen thousand years of war going beyond the battles and brutality to reveal what war has really done to and for the world Stone Age people lived in small feuding societies and stood a one in ten or even one in five chance of dying violently In the twentieth century by contrast despite two world wars Hiroshima and the Holocaust fewer than one person in a hundred died violently The explanation War and war alone has created bigger more complex societies ruled by governments that have stamped out internal violence Strangely enough killing has made the world safer and the safety it has produced has allowed people to make the world richer too War has been history's greatest paradox but this searching study of fifteen thousand years of violence suggests that the next half century is going to be the most dangerous of all time If we can survive it the age old dream of ending war may yet come to pass But Morris argues only if we understand what war has been good for can we know where it will take us next Praise for War What Is It Good For Morris's pace is perfect his range dazzling his phrasemaking fluent his humor raucous A rattling good book Felipe Fernandez Armesto The Wall Street Journal Ian Morris's evidence that war has benefited our species albeit inadvertently is provocative compelling and fearless This book is equally horrific and inspiring detailed and sweeping lighthearted and dead serious For those who think war has been a universal disaster it will change the way they think about the course of history Richard Wrangham coauthor of *Demonic Males* and author of *Catching Fire* A disturbing transformative text that veers toward essential reading Kirkus Reviews starred review

Chained to a Madman Tom Hickman,2014-11-06 Throughout history man has revered his penis as his most precious ornament Yet ambivalently his penis has always been the source of man s deepest neuroses too Do women find it in the erect state inherently ridiculous Why can t a man be certain his penis will stand and deliver when he commands If and when it steadfastly refuses what can he do to remedy the situation And then of course there s the matter of size To possess a penis Sophocles said is to be chained to a madman Chained to a Madman examines the schizophrenic relationship between man and this madman and the joint relationship this odd couple has with the female sex Chained to a Madman is the tale of the penis and the ups and downs of history the macabre and the bloodcurdling the funny and the sad distilled from myth world cultures religion literature science medicine and contemporary life all told with mordant wit The Hands of the Living God Marion Milner,2010-09-13 At once autobiographical and psychoanalytic The Hands of the Living God first published in 1969 provides a detailed case study of Susan who during a 20 year long treatment spontaneously discovers the capacity to do doodle drawings An important focus of the book is the drawings themselves 150 of which are reproduced in the text and their deep unconscious perception of the battle between sanity and madness It is these drawings linked with Milner s sensitive and lucid record of the therapeutic encounter that give the book its unique and compelling interest With a new introduction by Adam Phillips The Hands of the Living God is essential reading for all those with an interest in the fields of psychoanalysis and psychotherapy and more widely to those involved in therapy and the arts Faceless Gods Sandeep Dahiya,2014-02-22 It is a long story slowly moving like a broad river in its journey through the plains It is just an effort to highlight some sober facts like the true meaning of nationalism religion politics and humanism The work has very sharp political connotations But I would like to clarify that while espousing the cause of clean politics I have taken very dagger sharp cuts at certain political forces whose brand of politics results in reversing the basic meanings of religion and nationalism But it is for sure that all such literary efforts from my side are just a battle cry against bad politics rather than going against any particular political force By having creative cuts at the razor sharp edges of most of the political blocks in India I have tried to carve out a straight faced deity whom people have in mind when they envision their interests in the safe hands of the state *New York Magazine* ,1989-12-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Modernism and the Materiality of Texts** Eyal Amiran,2016-07-27 This book argues that elements of modernist texts that are meaningless in themselves are motivated by their authors psychic crises New York Magazine ,1989-12-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering
