**Where'S God?** Greg McCollam,2013-03-22 You want to move closer to God but you are intimidated by the bigness of the journey You think it takes a big commitment a big Bible a big church and big religious wordsso either you dont take the first step at all or you get stuck somewhere and never move forward This book is for you Each story offers inspiration to help you move closer to God through the small stuff in life a cup of coffee a grocery list or fast food French fries You may never look at a roller coaster the same way again These real life glimpses of God will surprise you with their simplicity and amaze you with their message

**The Road Less Travel: The Road Warrior** Anthony Ruben Lee,2011-06-10 I try to tell people be real with yourself with real problems in a real world itself It s real but don t let your guard down not for one bit and that road that you are traveling on is just around the corner just a few steps through your soul A close encounter comes you have a burning passion inside of you and you do not know what to do Sometimes we can go too fast on our own road Slow down try to catch up with God and He has been there with you the whole time by your side so get up don t quit I am 38 years old with just a high school diploma in 1991 A born again Christian single guy and blessed to have my mom and dad still living and the family is growing I have accomplished a lot of stuff but not enough in life By comparing to this book I think it was time for the world to know my small talent I can express myself when God comes in more than I can speak it so it has grown very fast over the years It was a small blank page journal started out to be and the rest is history

**The Road Warrior After God's Own Heart** Bryan Paul Buckley,2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty
