Gods Super Apostles:

God's Super-Apostles R. Douglas Geivett, Holly Pivec, 2018-07-27 *God's Super Apostles* provides a concise entry level overview of the key teachings and practices of the New Apostolic Reformation NAR movement This is a key resource in grasping the significance of this global confusing and controversial movement [Study Guide for God's Super-Apostles](#) R. Douglas Geivett, Holly Pivec, 2017-03-22 Do God's prophets and apostles walk the earth today Many popular teachers say yes including Bill Johnson from Bethel Church Redding California Mike Bickle from the International House of Prayer Kansas City Missouri and Rick Joyner from Morningstar Ministries Fort Mill South Carolina But when examined in the light of Scripture their teachings about prophets and apostles fall short Whether you know it or not you've probably encountered the fast growing religious movement involving these and other teachers the New Apostolic Reformation The New Apostolic Reformation is led by men and women who claim to be modern day prophets and apostles They seek to bring God's kingdom to earth through their new revelations miraculous powers and novel practices like Treasure Hunting Sozo ministry 24/7 prayer rooms and schools of supernatural ministry Some groups embrace all of these others only some Designed for individuals or groups this study guide used with the full length companion book *God's Super Apostles* will help you understand this bewildering movement You'll learn what New Apostolic Reformation leaders teach about topics like apostles prophets spiritual warfare demons and miracles You'll learn how their teachings about these topics deviate from historic Pentecostal and charismatic teachings Most importantly you'll learn how to respond to their teachings with Scripture It will also guide you in developing personal strategies for countering the New Apostolic Reformation's growing influence Editorial Reviews for *God's Super Apostles* In two recent books R Douglas Geivett and Holly Pivec provide a balanced biblical critique of the New Apostolic Reformation Both books are well written fairly argued and amply documented As a classical Pentecostal I see brothers and sisters among leaders and followers of the New Apostolic Reformation Chances are you your family or your church has heard of NAR's doctrines or have been influenced by them With R Douglas Geivett and Holly Pivec I believe that NAR doctrines are not true because unbiblical and unhelpful because not true George P Wood Executive Editor Assemblies of God Publications General Council of the Assemblies of God *God's Super Apostles* is a clear and winsome work that provides just the right depth of examination and that comes to clear and biblical conclusions Tim Challies Author and blogger at Challies.com Endorsements for *God's Super Apostles* Given the explosion of the apostolic movements *God's Super Apostles* represents a concise and valuable survey of what is happening around the globe Geivett and Pivec provide insightful biblical and historical analyses which are useful for those wanting to understand these sometimes bewildering movements Especially beneficial are the distinctions the authors make between the teachings of the historic Pentecostal churches and the more recent New Apostolic Reformation views of such leaders as C Peter Wagner and others Vinson Synan Dean Emeritus Regent University School of Divinity The authors clearly and systematically describe the movement's origins and

outworkings and they offer a thoughtful balanced and biblical counterpoint to its many errors and excesses Their work is eminently practical desperately needed and long overdue Paul Carden Executive Director The Center for Apologetics Research Apostles and Prophets Opoku Onyinah, 2022-01-27 This book is an attempt to trace and find out the role of apostles and prophets in the Bible and then share these in a practical way to help the church of today It distinctively goes beyond the purview of the New Testament into the Old Testament and some ancient literature to bring out the wealth and depth of the subject and then makes a case for it Among others this book deals with the call of God the constitution and functions of a prophet and of an apostle Spiritual gifts the difference between apostles and prophets and how to test the manifestation of the Spirit One important issue which this book addresses is how the leadership of the church dropped from apostles to bishops You will enjoy reading it **The Gifted Church** W. Clay Jackson MD DipTh, 2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts *Heart of an Apostle* Pete Beck, Jr., 2007-10-01 After many years of experience with churches I observed that the maturing of the churches in general was being thwarted by the lack of genuine apostolic and five fold ministry The book was written to illustrate the need for genuine apostolic leadership from the heart of maturity Most books about apostolic leadership although good and helpful were more or less written from the point of view of application and performance of ministry rather than from the aspect of heart Key editorial points are Why we need each other The marks of a true apostle and how to recognize them The need for a team spirit Passing the baton to future leaders This book will throw great light on

the understanding of those who want to see true oversight work in churches and the blessing it will bring to all concerned

Hughes, Robert Jewett, 2021-10-19 In *The Corinthian Correspondence* Frank W. Hughes and Robert Jewett argue that there were eight original letters by the Apostle Paul to the church in Corinth In the first part of the book they use literary and redaction criticism to show the reasons for the partition theory of 1 and 2 Corinthians Analyzing each of the eight letters and letter fragments using rhetorical criticism they show how the original Corinthian letters were edited and reshaped into 1 and 2 Corinthians in the New Testament After reflections on the rhetoric of these letters and the historical meaning of the reshaping of the images of Paul a final chapter traces the consequences of the reshaping of the Corinthian correspondence and the adoption of the bound book codex instead of the original papyrus scrolls Several figures help the reader understand the redactional process and a new translation of the eight reconstructed Corinthian letters is provided **Christian History and Interpretation** William Reuben Farmer, Charles Francis Digby Moule, Richard R. Niebuhr, 1967

The New Apostolic Reformation, Trump, and Evangelical Politics Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical

support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God s anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump s candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century **Reckless Christianity** Holly Pivec,R. Douglas

Geivett,2025-01-01 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In *Reckless Christianity* Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation *Reckless Christianity* argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith *The Audacity to Be Who God Called ME to Be!* Janice D. Moultry,2024-12-10 This book is not meant to be a self help book nor should it be used in place of God s Word but it is Holy Ghost inspired and should be read alongside the Word of God to bring healing to the soul of the reader Each chapter is filled with Scripture verses poems quotes positive affirmations confessions and prayers Also brief accounts of the Authors past experiences It is designed to first and foremost bring glory to the Kingdom of God To strengthen empower and encourage the inner man to become bold in who you are in spite of your past and the words and opinions of others Have you struggled with identity issues acceptance Have you battled within yourself with inadequacies Do you feel like a failure in life Are you committed to being a people pleaser for fear of rejection Are you ready to fulfill your purpose in the Earth If this is you take heart in knowing there are millions of people just like you God wants to heal you from the inside out in those areas that has been affected by the pain of your past You will discover the truth of who you are and the life God has promised to those that love Him as you read quietly

and intently and allow the word of God which accompanies each Chapter of this book to permeate those wounded areas bringing revelation and healing to your soul My prayer is that as you journey through the contents of these life altering pages you will be encouraged and inspired to make a paradigm shift in your thinking as you embark upon a newfound AUDACITY TO BE WHO GOD CALLED YOU TO BE Paul as Pastor Brian S. Rosner,Andrew S. Malone,Trevor J. Burke,2017-11-30 Paul as Pastor demonstrates the critical nature of Paul s pastoral care to his identity and activities Despite the fact that Paul never identifies himself as a pastor there is much within the Pauline letters that alludes to this as a possible aspect of Paul s vocation and commitments and this has been a topic of relative scholarly neglect The contributors to this volume consider the household setting of Paul s pastoral practice the evidence of Acts and a survey of themes in each of the letters in the traditional Pauline corpus Additionally three chapters supply case studies of the Wirkungsgeschichte of Paul s pastoral practice in the pastoral offices of the Anglican Communion in the denomination s Ordinal and in the lives and thought of Augustine of Hippo and George Whitfield As such Paul as Pastor provides a stimulating resource on a neglected and critical dimension of Paul and his letters and an invaluable tool for those in pastoral ministry and those responsible for their training

Understanding Spiritual Gifts Sam Storms,2020-09-01 What are spiritual gifts Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God s gifts Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ In this comprehensive guide to the spiritual gifts Storms addresses the many bizarre and misleading interpretations while confronting the tendency to downplay the urgency of spiritual gifts for Christian living and ministry He explains how spiritual gifts both the more miraculous and the everyday are given to build up the body of Christ God has graciously provided these manifestations of the Spirit so that believers might encourage edify strengthen instruct and console one another all with a view to an ever increasing incremental transformation into the image of Jesus Christ Throughout this guide Sam Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every Christian believer Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts but it also serves as a training manual for using and exercising the gifts in ministry It is perfect for any individual or group who wants to grow in their understanding of spiritual gifts for today **Wiersbe Bible Commentary NT** Warren W. Collman,2023-06-06 This volume offers a comprehensive examination of circumcision and foreskin in the undisputed Pauline epistles Historically Paul s discourse on circumcision has been read through the lens of Paul s supposed abandonment of Judaism and conversion to Christianity Recent scholarship on Paul however has challenged the idea that Paul ever abandoned Judaism In the context of this revisionist reading of Paul Ryan Collman argues that Paul never repudiates redefines or replaces circumcision Rather Paul s discourse on circumcision and foreskin is shaped by his understanding of ethnicity and his bifurcation of humanity into the categories of Jews and the nations the circumcision and the foreskin Collman argues that Paul does not deny the continuing validity and importance of circumcision for Jewish followers of Jesus but categorically refuses that gentile believers can undergo circumcision By reading this language in its historical rhetorical epistolary and ethnic contexts Collman offers a number of new readings of difficult Pauline texts e g Rom 4 9 12 Gal 5 1 4 Phil 3 2 3 NLT Parallel Study Bible Tyndale,2011-08-31

The Self, the Lord, and the Other according to Paul and Epictetus Michael J. Gorman, 2023-03-29 This study explores the relationship between the individual person the self the divine and other people in the writings of the apostle Paul and the Roman Stoic Epictetus It does so by examining self involving actions expressed with reflexive pronouns myself yourself etc in various kinds of sentences for example Examine yourself and You do not belong to yourself After situating the topic within the fields of linguistics and ancient Greek the study then examines the reflexive constructions in Epictetus's Discourses showing that reflexive texts express fundamental aspects of his ethic of rational self interest in imitation of the indwelling rational deity Next the investigation examines the 109 reflexive constructions in Paul providing an exegesis of each reflexive text and then synthesizing the results Paul's reflexive phrases are essential statements of his theology and ethics expressing an interconnected narrative Christology narrative apostolic identity and narrative ethic Most importantly the study finds that for Epictetus concern for others is a rational means to self realization whereas for Paul concern for others is a community ethic grounded in the story of the indwelling Christ and is the antithesis of self interest
