Gone Girl Reviews:

Book Review Expert Book Reviews, 2014-01-09 **WARNING** This is not the actual book *Gone Girl* by Gillian Flynn. Do not buy this Review if you are looking for a full copy of this great book. This literary review of Flynn's novel *Gone Girl* covers the good and the bad to give you a comprehensive view of the story. Readers enjoy a suspenseful mystery while witnessing the complications of marriage from the two narratives of husband and wife. This review explains what you can gain from reading *Gone Girl* and describes the type of reader who will enjoy this novel. Discover secrets kept by Amy Dunne as you encounter unexpected plot twists and surprising outcomes in Flynn's latest novel. Gillian Flynn succeeds at creating a psychological thriller with her third novel *Gone Girl*. After losing their writing jobs in New York City, Nick and Amy Dunne discover that their perfect relationship is not as solid as it seems. Nick decides to move to Carthage, Missouri, to care for his ill parents, and Amy figures out that her parents have been depleting her trust account to recover from their own financial hardships. Despite her resentment, Amy purchases a bar for her husband and his twin sister with the remaining money from her trust fund. The suspense in *Gone Girl* revolves around the disappearance of Amy Dunne and the accusations against her husband.

Gone Girl Gillian Flynn, 2014. Marriage can be a real killer. One of the most critically acclaimed suspense writers of our time, New York Times bestseller Gillian Flynn takes that statement to its darkest place in this unputdownable masterpiece about a marriage gone terribly, terribly wrong. The Chicago Tribune proclaimed that her work draws you in and keeps you reading with the force of a pure but nasty addiction. *Gone Girl*'s toxic mix of sharp-edged wit and deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. On a warm summer morning in North Carthage, Missouri, it is Nick and Amy Dunne's fifth wedding anniversary. Presents are being wrapped and reservations are being made when Nick's clever and beautiful wife disappears from their rented McMansion on the Mississippi River. Husband of the Year Nick isn't doing himself any favors with cringe-worthy daydreams about the slope and shape of his wife's head, but passages from Amy's diary reveal the alpha-girl perfectionist could have put anyone dangerously on edge. Under mounting pressure from the police and the media, as well as Amy's fiercely doting parents, the town golden boy parades an endless series of lies, deceptions, and inappropriate behavior. Nick is oddly evasive, and he's definitely bitter, but is he really a killer? As the cops close in, every couple in town is soon wondering how well they know the one that they love. With his twin sister Margo at his side, Nick stands by his innocence. Trouble is, if Nick didn't do it, where is that beautiful wife? And what was in that silvery gift box hidden in the back of her bedroom closet? With her razor-sharp writing and trademark psychological insight, Gillian Flynn delivers a fast-paced, devilishly dark and ingeniously plotted thriller that confirms her status as one of the hottest writers around.

Seduction in Popular Culture, Psychology, and Philosophy Martins, Constantino, Damásio, Manuel, 2016-08-15. Seduction is a complicated concept that is a part of the general human experience. Despite the prevalence of seduction in our personal lives as well as within popular culture, the concept has not been widely discussed and researched as an academic

field Seduction in Popular Culture Psychology and Philosophy explores the concept of seduction and the many ways it can be understood either as a social and individual practice a psychological trait or a schema for manipulation Taking a cross disciplinary approach this publication features research based chapters relevant to sociologists media professionals psychologists philosophers advertising professionals researchers and graduate level students studying in related areas
