"Gone with the

Wind," He Said Michael I. Darter, 2014-03-07 This book documents the search for my MIA brother Eugene F Darter who just after meeting his baby brother on a pillow flew off to Nazi occupied Europe and vanished on his first bombing mission over Germany My investigation began with a random Internet search on his fifty seventh birthday on January 3 2000 that quickly resulted in the miraculous discovery of one of his crewmates who found him badly shot and collapsed in a pool of blood in their shattered and burning B 17 Along the path of discovery were some amazing miracles including discovering his surviving crew and their families what happened to his two other MIA crewmates pieces of his bomber on the beach a few days before a long planned memorial and most importantly eyewitnesses who saw crew members captured by the Nazis on a Dutch island However the greatest discovery was an eyewitness who saw an American airman come down through the fog and splash down into the sea crying for help but then carried away by the fierce wind farther out into the freezing sea beyond reach Gone with the Wind was his description of the shocking event unfolding in the stormy sea just in front of him This book will be of particular interest to many families who have MIAs that number more than eighty three thousand in America s wars There is so much information available today on the Internet in databases individual researchers in the US and abroad and in the National Archives for searching for your beloved MIA There is also a great deal of assistance from the US government who has many teams in the field every day searching finding identifying and bringing home our hero MIAs The Making of Gone With The Wind Steve Wilson, 2014-09-01 Companion publication to the Harry Ransom Center s exhibition September 9 2014 January 4 2015 marking the seventy fifth anniversary of the film s release **New Approaches to Gone With the Wind** James A. Crank, 2015-12-14 Since its publication in 1936 Gone with the Wind has held a unique position in American cultural memory both for its particular vision of the American South in the age of the Civil War and for its often controversial portrayals of race gender and class New Approaches to Gone with the Wind offers neither apology nor rehabilitation for the novel and its Oscar winning film adaptation Instead the nine essays provide distinct compelling insights that challenge and complicate conventional associations Racial and sexual identity form a cornerstone of the collection Mark C Jerng and Charlene Regeister each examine Margaret Mitchell s reframing of traditional racial identities and the impact on audience sympathy and engagement Jessica Sims mines Mitchell s depiction of childbirth for what it reveals about changing ideas of femininity in a postplantation economy while Deborah Barker explores transgressive sexuality in the film version by comparing it to the depiction of rape in D W Griffith s earlier silent classic Birth of a Nation Other essays position the novel and film within the context of their legacy and their impact on national and international audiences Amy Clukey and James Crank inspect the reception of Gone with the Wind by Irish critics and gay communities respectively Daniel Cross Turner Keaghan Turner and Rich Richardson consider its aesthetic impact and mythology and the ways that contemporary writers and artists such as Natasha Trethewey and Kara Walker have engaged with the work Finally Helen Taylor sums up the pervading influence that Gone with the Wind continues to exert on audiences in both America and Britain Through an

emphasis on intertextuality sexuality and questions of audience and identity these essayists deepen the ongoing conversation about the cultural impact and influence of this monumental work Flawed in many ways yet successful beyond its time *Gone with the Wind* remains a touchstone in southern studies
