Good Morning Midnight Dalziel Pascoe :

Good Morning, Midnight Reginald Hill, 2005-08-30 Investigating the apparent suicide of a prominent businessman Yorkshire police officers Andy Dalziel and Peter Pascoe become suspicious when they discover that the victim's father died in the same manner

Good Morning, Midnight Reginald Hill, 2010-05-14 Reginald Hill brings us a brilliant new Dalziel and Pascoe novel featuring a chilling Mid Yorkshire mystery Like father like son But heredity seems to have gone a gene too far when Pal Maciver's suicide in a locked room exactly mirrors that of his father ten years earlier In each case accusing fingers point towards Pal's stepmother the beautiful enigmatic Kay Kafka But she turns out to have a formidable champion Mid Yorkshire's own super heavyweight Detective Superintendent Andrew Dalziel DCI Peter Pascoe nominally in charge of the investigation finds he is constantly body checked by his superior as he tries to disentangle the complex relationships of the Maciver family At first these inquiries seem local and domestic What really happened between Pal and his stepmother And how has key witness and exotic hooker Dolores Our Lady of Pain contrived to disappear from the face of Mid Yorkshire Gradually however it becomes clear that the fall out from Pal's suicide spreads far beyond Yorkshire To London to America Even to Iraq But the emotional epicentre is firmly placed in mid Yorkshire where Pascoe comes to learn that for some people the heart too is a locked room and in there it is always midnight

Of Sex and Faerie: further essays on Genre Fiction John Lennard, 2010 Taking up where *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 *Of Modern Dragons* and other essays on genre fiction 2007 is also available from Lulu

Death Comes for the Fat Man Reginald Hill, 2009-12-15 There was no sign of life But not for a second did Pascoe admit the possibility of death Dalziel was indestructible Dalziel is and was and forever shall be world without end amen Chief constables might come and chief constables might go but Fat Andy went on forever Caught in the full blast of a huge explosion Detective Superintendent Andy Dalziel lies on a hospital bed with only a life support system and his indomitable will between him and the Great Beyond His colleague Detective Chief Inspector Peter Pascoe is determined to bring those responsible to justice Pascoe suspects a group called The Templars and the deeper he digs the more certain he is that The Templars are getting help from within the police force The plot is complex the pace fast the jokes furious and the climax astounding And above it all like a huge dirigible threatening to break from its moorings hovers the disembodied spirit of Andy

Dalziel *A Cure For All Diseases* Reginald Hill, 2009-10-27 The new Dalziel and Pascoe novel to delight and thrill Reginald Hill fans Some say that Andy Dalziel wasn't ready for God others that God wasn't ready for Dalziel Either way despite his recent proximity to a terrorist blast in *Death Comes for the Fat Man* the Superintendent remains firmly of this world And while *Death* may be the cure for all diseases Dalziel is happy to settle for a few weeks care under a tender nurse Convalescing in Sandytown a quiet seaside resort devoted to healing Dalziel befriends Charlotte Heywood a fellow newcomer and psychologist who is researching the benefits of alternative therapy With much in common the two soon find themselves in partnership when trouble comes to town Sandytown's principal landowners have grandiose plans for the resort none of which they can agree on One of them has to go and when one of them does in spectacularly gruesome fashion DCI Peter Pascoe is called in to investigate with Dalziel and Charlotte providing unwelcome support But Pascoe finds dark forces at work in a place where medicine and holistic remedies are no match for the oldest cure of all *Canadian Books in Print.*
