Google Power Search Stephan Spencer, 2021-08-03 Imagine what would happen to your productivity if your most challenging Web searches never failed and your ordinary Web searches more quickly returned the most relevant results. Over the course of a year, efficient searches and relevant results could add up to days of recovered time. In this book, I'll show you how to start saving time by mastering all aspects of the Google search engine and its dozens of related services and technologies. I'll help you understand how Google processes your query as a set of keywords, phrases or natural language questions and I'll teach you how to use lesser known search tools, operators and hidden features to filter and refine broad result sets. No matter how well you know Google, I guarantee you'll learn something new in **Google Power Search**, Third Edition.
