Hades In Paradise:

Man mortal: being a reply to Mr. F. W. Grant's "Life and Immortality," etc Robert ROBERTS (Christadelphian.),1875 **Hell's Destruction** Catherine Ella Laufer,2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ s descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ s descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ s descent means that he is truly hell s destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith The Basis for the Building Work of God Witness Lee,2003-10-01 On the one hand Brother Witness Lee saw that God s eternal will His ultimate goal is to build a house that is the mingling and the mutual dwelling of God and man On the other hand he realized that despite the presence of Christianity and of Christians all over the earth there is the lack of such a house Although there are people in many places who love the Lord who zealously pursue the Lord and who pay attention to spiritual things it is hard to find one group of Christians who have been built together to become a spiritual house in which God can dwell a house that satisfies the needs of both God and man Not only do we not have the reality of the building we lack even the concept of the building up of the church Most Christians have as their goal getting saved and going to heaven and are ignorant of the revelation of the building of the church These eight messages are directed at this situation On the one hand they aim to make known God s will and to point out His goal on the other hand they aim to correct our mistakes and to inspire us in our pursuit **The Presbyterian Review** ,1883 *The Presbyterian Review* Charles Augustus Briggs,Archibald Alexander Hodge,Francis Landey Patton,Benjamin Breckinridge Warfield,1883 Includes section Reviews of recent theological literature Charting the End Times Tim LaHaye,Thomas Ice,2001-09-01 Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace The result of decades of careful research and Bible study the charts and well written explanatory text provide a fascinating picture of the times ahead Charting the End Times includes A foldout portraying God s complete plan for the ages More than 50 full color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end times questions Providing a wealth of information this book is certain to

become a popular study tool for understanding God's unfolding plan **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments ...** ,1920 *A Critical and Exegetical Commentary on the Revelation of St. John* Robert Henry Charles,1920 **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Revelation of St. John. 2** v Samuel Rolles Driver, Charles Augustus Briggs,1920 **Afterlife and Resurrection Beliefs in the Apocrypha and Apocalyptic Literature** Jan Age Sigvartsen,2019-09-19 Jan A Sigvartsen seeks to examine the immense interest in life after death and speculation about the fates awaiting both the righteous and the wicked that proliferated in the Second Temple period In this volume Sigvartsen explores the Apocrypha and the apocalyptic writings in the Pseudepigrapha He identifies the numerous afterlife and resurrection beliefs and presents an analysis that enables readers to easily understand and compare the wide ranging beliefs regarding the afterlife that these texts hold A careful reading of these resurrection passages including passages appearing in Sirach Maccabees the Sibylline Oracles and the Ezra texts reveals that most of the distinct views on life after death regardless of their complexity show little evidence of systematic development relational to one another and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh Sigvartsen also highlights the factors that may have influenced the development of so many different resurrection beliefs including anthropology the nature of the soul the scope of the resurrection the number and function of judgments and the final destination of the righteous and the wicked Sigvartsen's study provides a deeper understanding of how the TaNaKh was read by different communities during this important period and the role it played in the development of the resurrection belief a central article of faith in both Christianity and Rabbinic Judaism

The Doctrine of Immortality James Herman Whitmore,1870 *It Must Be Written!* Christopher Anyanwu,2021-07-08 It Must Be Written is an awesome book which is come to open your eyes to see the truth that is in the Holy Scriptures When religion is wrongly practiced and conducted outside the framework of in spirit and in truth it completely and ultimately destroys the human mind How to worship God is written therefore you cannot worship God anyhow and in your own way Man is not the way Jesus is the way Whatsoever you are doing in the name of the Lord whether it is preaching teaching and healing in his name it must be written After reading this book you will know for yourself if you have been sitting on the footstool of error or not because so many people think they are worshipping God but don't know they are busy worshipping something else This book is an eye opener to a range of issues that Christian believers are basking in but when you examine them you will find out that they are not supported by the Holy Scriptures of God If it is not written it is not sound and if it is not sound it is therefore erroneous Whatever is not from God cannot stand and you cannot pick and choose from the Holy Word of God to soothe your lifestyle Christian Standard ,1907 **A Cyclopædia of Biblical Literature** John Kitto,1876 *The Wesleyan-Methodist Magazine* ,1864 Leaves of Healing ,1923 **The Christian Repository** ,1858 Issues for 1856 1857 include section called Family visitant conducted by Mrs S R Ford **The Spirit World** Clarence Larkin,1921 In

this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits The Bible has much to say about the Spirit World and if we will carefully search its pages we shall know all there is to be known in this life of the World to Come For if men will not listen to Moses and the Prophets they will not be persuaded though one rose or came back from the dead Luke 16 31 Foreword His Broken Body Laurent Cleenewerck,2007 A comprehensive objective scholarly and yet easy to read presentation of the differences both historical theological and liturgical between Roman Catholicism and Eastern Orthodoxy The ideal complement or even antidote to such books as Upon this Rock Jesus Peter and the Keys Two Paths The Primacy of Peter etc Discusses Peter s Primacy and Succession Ecclesiology Infallibility the Filioque Celibacy etc **An Exposition of the Parables and of Other Parts of the Gospels**, Edward Greswell,1835
