**The Minor Prophets** John Gifford Bellett, 2015-02-14 The Minor Prophets Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah Malachi Other Books Short Meditations on the Psalms The Son of God Notes from meditations on Luke Showers on the Grass *Through-the-Bible Crafts* David C Cook Publishing Company, 2008-06 Inside each of these 10 new books children s educators will find twenty six creative activities to engage kids with fantastic Bible focused high energy fun Correlated with Bible in Life and Echoes curriculum and covering ages preschool to middle school these books are loaded with innovative ideas including scripture references and teacher tips and provide a great resource for alternative Step 3 activities Or teachers can use it with their own lesson plans this handy resource fits well with any curriculum or can be used as a stand alone activity This handy idea book has loads of crafts that illustrate the biblical world and reinforce the scripture lesson From mobiles to masks and everything in between these projects are just right for kindergarten and first graders Teacher tips and instructions make every undertaking run smoothly too **In the Shadow of**

**His Wings** Jonathan Macy, 2011-01-01 Historically angels have been viewed as either disconnected objects of speculative investigation or as mystifying beings mysteriously influencing our lives However this is not how the Bible describes them Scripture in sober and straightforward terms simply describes what angels do It is a practical depiction a pastoral presentation We see messages of encouragement revelation and guidance we see judgment and correction we see strengthening we see journeying we see prayer and worship The biblical focus concerning angels is on ministry to the people of God Angels are one way that God intervenes in human affairs in response to pastoral concerns or problems Using only Scripture and a classic model of pastoral theology as the framework this book shows practically how angels are employed by God to bless His church and people as His servant ministers who glorify Him alone **Catalog of Copyright Entries**

Whiting, 2013-05 A perhaps different rendering of the stories you should have been told Written with the hope that when you have been or have yet to be faced with the decision to where your personal journey will lead you will choose the path that will lovingly dance you into HIS warm embrace In a seemingly male dominated hierarchy of faith the Big Guy upstairs has always included the female gender in His modus operandi never to be shunned by the gender that seems to be more at a loss for words less likely to attempt deeds that go unrewarded and has more alpha issues than a bowl of alphabet soup **Craft**

Studio ,1921      **Illustrations and Insights from the Old Testament: A Coffee Table Book** E. Gabbay,2021-02-26 How does the story of creation start in the Old Testament The texts and paintings in this book are to give insight and encourage readers to follow other books to expand their knowledge in art religion and daily life Most of the paintings are the author s creations in a mystical symbolic style with a Judaic point of view There are a few paintings from Biblical artists of the past such as Leonardo Da Vinci whose works decorate ceilings of the Sistine Chapel The author s paintings are not just beauty at the surface but have deeper meanings hidden inside Every painting may inspire a certain category of readers They speak about the relationship between God and man our behavior toward others and our duty toward nature These artworks give the reader a sense of hope and awe Many of the paintings teach us the importance of learning history so we may prevent history from repeating itself In today s world our actions matter We all share this beautiful and magnificent planet and it is each and everyone s duty to learn and then educate future generations to come We can all start by conserving the rich biodiversity that is keeping all the parts of the world in total equilibrium We can all have a peaceful harmonious life for generations to come if we keep greed at bay and conserve this glorious planet

*Very Near to You* Avraham Burg,J J Goldberg,2012 The book is a new interpretation of the weekly torah reading It is written from a world view deeply committed to Judaism which places the responsibility of interpretation and identity on each one of us The Torah is not in heaven but in the heart and mouth of you and me to study it and to live by it Through this book

the author tries to involve the reader in the language of the five books of Moses that has been present in our lives for thousands of years It s a language which is human universal moral historical and national My interpretation is one of many and I try to invite the reader or student to argue or to agree to add or to subtract from my interpretation or even better to develop their own interpretation and spread it around *An Introduction to the Gospels and Acts* Alicia D. Myers,2022

Introducing the Gospels and Acts is not just about reading the first five books of the New Testament It requires entering the first century Mediterranean world where the events in these writings happened In this short book Alicia D Myers takes readers on a journey through the Gospels and Acts introducing them to the world of Jesus of Nazareth and of the believers who composed and shared stories inspired by him Myers provides overviews of context and major passages in each canonical work and also introduces readers to the Apocryphal Gospels and Acts to demonstrate the larger phenomenon of early Christian writing After situating readers in the literary context of the Gospels and Acts Myers focuses on the writings themselves giving basic historical background before digging more deeply into a chosen contextual theme for each work These six themes include the politics and history of Roman Palestine expressions of Second Temple Judaism understandings of identity and human worth in the Roman world hospitality Hellenistic philosophies and the process of canonizing the New Testament Rather than shying away from difficult and often confusing elements of the Gospels and Acts Myers invites readers to engage more deeply and situate themselves more fully in the strangeness and surprising familiarity of the Roman world In this way readers will see the continuing relevance of the Gospels and Acts for today and learn to be responsible readers of these works for years to come Works of Art Library of Congress.
