Haggai The Prophet Children Activity:

The Books of Haggai and Malachi Mignon R. Jacobs, 2017 Someone once said The past is another country they do things differently there At times indeed the Old Testament resembles another very different country Maneuvering through levitical laws bloodshed in Joshua or Daniel s apocalyptic visions sincere readers often wonder what the Old Testament means and how it can be the Word of God For several decades The New International Commentary on the Old Testament has helped countless people traverse this difficult literary terrain This premier commentary series enjoys a worldwide readership of scholars pastors priests rabbis and serious Bible students They eagerly consult its high quality volumes to inform their preaching teaching and academic research and they warmly welcome each newly published volume as they would an encounter with a stimulating new friend Through the rigorous yet reverent study contained in these commentary volumes readers hear afresh the voice of the living God speaking his powerful word All of the NICOT volumes combine superior scholarship an evangelical view of Scripture as the Word of God and concern for the life of faith today Each volume features an extensive introduction treating the biblical book s authorship date purpose structure and theology The author s own translation of the Hebrew text and verse by verse commentary follow The commentary itself carefully balances coverage of technical matters with exposition of the biblical text s theology and implications Readers who want to hear God s voice anew through Scripture will find The New International Commentary on the Old Testament to be a faithful trustworthy guide for helping them navigate the strange other country we call the Old Testament Book jacket *Haggai, Malachi* Richard A. Taylor, E. Ray Clendenen, 2004 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Route 66: A Trip through the 66 Books of the Bible, Grades 2 - 5** Christin Ditchfield, 2008-05-15 Have fun with faith using Route 66 A Trip through the 66 Books of the Bible for grades 2-5 In this 192 page book children are part of the story as they embark on a road trip through each of the 66 books of the Bible The lessons are divided into three 12 week units are flexible enough to serve as stand alone supplemental material and cover each book s author era theme and key verse *The Bible Story and Its Teaching for Children* Baroness Freda De Knoop, 1913

International Children's Bible Dictionary Ronald F. Youngblood, 2006-05-30 Sometimes figuring out what the words in the Bible mean is confusing even for grown ups This dictionary is an excellent tool to help children more fully understand God s Word Simple definitions maps charts and many other features make learning about the Bible fun and interesting for young readers **Prophets of the Lord** Mary J. Evans, 2001-11-07 The Old Testament prophets were people who looked at the world and heard God speaking They looked at the creation and felt God s power They looked at pain and poverty and felt God s compassion They looked at oppression corruption and idolatry and felt God s anger They looked at faithful believers and felt God s encouragement They looked to the future and envisaged God s action They knew doubt discouragement and rejection but they stood firm because in looking at God s world they had sensed God s love They were real people speaking

into real situations in a world where people's behavior and reactions were in spite of all the advances of modern technology not so very different from our own Mary Evans who lectured in Old Testament Studies for many years firmly believes that these people who spoke from God so many years ago are dynamically relevant in church and society today This book helps you understand the prophets and appreciate their relevance **Haggai, Zechariah** Mark J. Boda, 2009-05-26 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **Ancient Israelite And Early Jewish Literature** Th. Theodoor Christiaan Vriezen, Adam Simon van der Woude, 2005 This introduction to the Old Testament Hebrew Bible offers a literary and historical critical approach containing some religious historical or theological explanations where appropriate **Eerdmans Commentary on the Bible: Haggai, Zechariah, Malachi** John W. Rogerson, M. Daniel Carroll R., 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Rogerson and Carroll R's introduction to and concise commentary on Haggai Zechariah and Malachi The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions Standard Lesson Commentary (1990-1991) Jim Fehl, 1990-04-01 **The North-western Monthly**, 1897 *The Slippery Curse of the Blessed Life* John D. Emens PhD, 2021-11-17 Relationship not religion Faith not fear Devotion not division Adoration despite adversity God is patient kind merciful and forgiving Eternal life is His true gift Developing a close positive meaningful relationship with the Lord provides peace and joy despite hardship In a Christ centered compendium of reflections inspired by his personal suffering as a physically compromised man including leg amputation and protracted dialysis John Emens shares scriptural strategies and life lessons with the hope of helping

believers grow spiritually while gaining a more intimate knowledge of God and His ways Within his affirming evangelical writings Emens touches on several topics such as simple spiritual insights gained even if only in an old fishing boat to the inescapable joy of hearing the still small voice of the Lord despite the daily maelstrom of life and why it is important to praise and bless Him not for what he can give us but for what He has already done for us and much more Included are relatable passages from the bible that remind us of the power and grace of the Lord and the beauty that awaits us for all eternity The Slippery Curve of the Blessed Life is a collection of inspirational poems reflections and spiritual nuggets that encourages a deep meaningful exploration of faith in order to better understand the character nature and loving habits of the Lord

Exalting Jesus in Zephaniah, Haggai, Zechariah, and Malachi Micah Fries, Stephen Rummage, Robby Gallaty, 2015-07 Led by series editors David Platt Daniel L Akin and Tony Merida this series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It is presented as sermons divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation

Prophets Male and Female, 2013-06-05 Because gender is an essential component of societies of all times and places it is no surprise that every prophetic expression in the ancient social world was a gendered one In this volume scholars of the biblical literature and of the ancient Mediterranean consider a wide array of prophetic phenomena In addition to prophetic texts of the Hebrew Bible the essays also look at prophecy in ancient Mesopotamia and early Christianity Using the most current theoretical categories the volume demonstrates how essential a broad definition of gender is for understanding its connection to both the delivery and the content of ancient prophecy Attention to gender dynamics will continue to reveal the fluidity of prophetic gender performance and to open up the ancient contexts of prophetic texts The contributors are Roland Boer Corrine Carvalho Lester L Grabbe Anselm C Hagedorn Esther J Hamori Dale Launderville Antti Marjanen Martti Nissinen Jonathan St kl Hanna Tervanotko and Ilona Zsolnay

The Oxford Handbook of the Minor Prophets Julia M. O'Brien, 2021-01-29 The Oxford Handbook of the Minor Prophets provides a clear and engaging one volume guide to the major interpretative questions currently engaging scholars of the twelve Minor Prophets by collecting 40 essays by both established and emerging scholars who explore a wide range of methodological perspectives Divided into four sections the first group of essays is devoted to historical studies which consider the manuscript evidence for these books and overview debates about how when and by whom they were composed Essays dealing with literary explorations consider the genres and rhetorical style of the material key themes and intertextual connections with other sections of the Jewish and Christian canons A large section on the history of interpretation traces the ways in which past and present confessional communities scholars and artists have understood the Minor Prophets In the final section essays on individual books of the twelve Minor Prophets explore the structure themes and contested issues of each book
