John McDermott, 2014-10-17 Back in the innocent days of the 1970s John McDermott was a terrific basketball player from Monmouth County NJ a sweet stroking lefty who played at a high level at Raritan HS and Brookdale Community College with savvy and ease that matched his friendly easy going nature Until I read his book however I was not aware of the depths of his alcohol and drug addictions or his numerous medical issues McDermott's autobiography A Legend in His Own Mind is an extraordinary confessional that makes Keith Richards' life as told in his great 2010 bio A Life look mild by comparison McDermott hasn't had an easy day since he was 19 yet on nearly every page he expresses his love and gratitude for his family and friends and his enduring connection to basketball This is a tale worth reading _____ 4 0

out of 5 stars Story from the heart _____ In his book John was able to recall his life through the experiences and relationships established through his journey back from addiction An effective story that helped John reach his goals and begin a new life Well written I thought and the stories brought vivid images back to me having grown up in Hazlet in the same time period and knowing John as an athlete of the highest level in Raritan High School sports

_____ 5 0 out of 5 stars Just like making a bank shot at Leocadia court

_____ I find it remarkable that John could remember all the characters that pass through his life while he was slipping in and out of substance abuse I hope and pray John stays clean and continues to be a great role model _____ I am only half way through the book and cannot put it down I graduated with

John but never knew him He made me aware of a subculture in my town that I never knew existed John provides play by play in many of the games he played in and tells his story well An amazing journey Keep the faith 5 0 out of 5 stars **A Guide**

for Teaching Social Studies in Grades 7-12 New Hampshire. Department of Education, 1956 New England Journal of Education ,1912 **Saturday Review** ,1869 **Journal of Education** ,1912 *Understanding Violence* Lorenzo

Magnani, 2024-06-22 This book offers a philosophical account of violence engaged with both empirical and theoretical debates in disciplines such as cognitive science sociology psychiatry anthropology political theory evolutionary biology and

theology The primary thesis is that violence is intertwined with morality and typically enacted for moral reasons To show this the book compellingly demonstrates how morality operates to trigger and justify violence and how people in their violent behaviors can engage and disengage with discrete moralities The author s fundamental account of language and in particular its normative aspects is particularly insightful as regards extending the range of what is to be understood as violence beyond the domain of physical harm By employing concepts such as coalition enforcement moral bubbles cognitive niches overmoralization and military intelligence the book aims to spell out how perpetrators and victims of violence systematically disagree about the very nature of violence The author s original claim is that disagreement can be understood naturalistically described by an account of morality informed by evolutionary perspectives as well This book helps us come to terms with the fact that we are intrinsically violent beings To acknowledge this condition and our stupefying capacity to inflict harm is a responsibility we must face up to such understanding could ultimately be of help in order to achieve a safer ownership of our destinies by individuating and reinforcing those cognitive firewalls that would prevent violence from always escalating and overflowing This second edition is thoroughly revised and integrated with two new chapters to cover new aspects of violence and its understanding such as the role of looting finance in facilitating violent outcomes and the attack to scientific cognition and human creativity

The SAGE Handbook of Qualitative Research Norman K. Denzin (ed), Yvonna S. Lincoln, 2005 A thoroughly revised updated edition this volume includes new chapters on auto ethnography critical race theory queer theory testimonies
