

A woman with long, wavy brown hair is posing in a field of tall, dry grass. She is wearing a white tank top and white underwear. Her left hand is on her hip, and her right hand is resting on her thigh. She is looking towards the camera with a slight smile. The background is a blurred landscape with a blue sky and distant hills.

Human Dairy Farm, Inc. - #2 - Dahlia's First Threesome Velvet O'Meara, 2013-06-29 Dahlia now called 83 has done her week of Human Cow training She has passed her sexual exams ready to join the herd on the factory floor but a male handler makes a pit stop and forces the unwilling HC to suck him off A stern doctor comes along and 83 thinks he's come to her rescue but what will she do when she realizes that he's just as eager to take the newest bovine for a test drive Explicit sexual content all characters 18 Excerpt I've never seen any female ejaculate quite so much the doctor mused We'll take this in for testing and see if there is any correlation to milk production She dipped an eyedropper into the clear fluid then squeezed it into her mouth Cassien made a delighted little mmm noise of approval before putting a lid on the beaker and storing it away in a medical fridge Dr Cassien inserted a cow tail butt plug it was part of an HC's uniform as she had explained at the end of the first day such as it was since otherwise besides the collar and cowbell she was completely naked The rubber tail was lightly furred moved with a lifelike swing and even had a furry end like a paintbrush that teased her wet cunt with every movement of her hips There was no way she would be able to forget her dehumanized status with a tail brushing her wet cunt and a butt plug filling her up nudging her insides with every step A quartet of cow hoofed booties completed the humiliating uniform and further dehumanized the wearer tiny padlocks ensured that they could not be removed by an HC herself The doctors nurses and handlers all had keys though they were only used in an emergency or for the administering of baths Dahlia gave two disappointed little moos when Dr Cassien disconnected the breast pumps her teats although slightly drained were still full and a bit painful It hadn't been nearly enough to empty them enough to make her comfortable Guessing at this the doctor gave her a knowing half smile Don't worry Number 83 I'm giving you the green light you'll be off to the factory floor in no time to join your fellow HC's and add that delicious milk to HDF's output Congratulations are in order I think She gave 83 an affectionate pat on the rump before turning to the phone on the wall and calling for a handler to take the HC away to her duties Come on 83 I don't have all day the handler said impatiently a galvanized metal bucket jangling discordantly in one hand He was yanking on Dahlia's leash with the other hand The movement jostled her milk hard breasts uncomfortably but she was still light headed and weak kneed from the orgasms Dr Cassien had given her and wasn't following as fast as he obviously would like The hoofed booties clopped with each step as she came along with him She was excited but nervous at the prospect of finally being deemed ready for production what would it be like to live in a herd of HC's fucked and milked daily and as just a number amongst dozens besides Dahlia followed the handler through the corridors teats swaying painfully and she wished desperately to be milked The thought of it made her nipples tingle and to her horror as soon as she thought of it she began to leak milk on the rubber matted concrete floor as she moved along it on hands and knees Dahlia hoped that her handler wouldn't notice but he happened to glance down and saw at once the pale trail of warm milk she was leaving behind them just like a bovine Gretel To her horror he stopped short leering down at her One coarse

hand drifted to the crotch of his pants and gave it a thoughtful squeeze Can t hold it in eh he said She couldn t make her vocal cords work to form words at all instead only replying with an ashamed lowing like the cow she was becoming The bucket in his hand rattled as he set it down underneath her and her cunt gave a twinge at the thought of being milked He reached to his fly and pulled the zipper down *Human Dairy Farm, Inc.: #2: Dahlia's First Threesome Velvet O'Meara,2013-06-29* Dahlia now called 83 has done her week of Human Cow training She has passed her sexual exams ready to join the herd on the factory floor but a male handler makes a pit stop and forces the unwilling HC to suck him off A stern doctor comes along and 83 thinks he s come to her rescue but what will she do when she realizes that he s just as eager to take the newest bovine for a test drive All characters 18 Adults only *Human Dairy Farm, Inc. - #1 - Dahlia's Contract Velvet O'Meara,2013-06-30* Dahlia s a dead broke former hotshot who can t land a new job When an experimental dairy farm fast tracks her recruitment she is ecstatic over the fantastic pay and great benefits What will she do when she realizes there are more to the benefits than she expected and that she s locked into three months of being milked forced to act like an animal Explicit sexual content all characters 18 A steamy new series from taboo erotica author Velvet O Meara For the open minded only EXCERPT That night Dahlia laid in bed freshly scrubbed and damp from the long hot shower she d taken She hadn t bothered to put clothes back on preferring instead to slip naked in between the cool satin sheets Her nipples were stiff against the sheet draped over her body and she could feel how wet she was whenever she moved her legs She didn t know exactly why she was so turned on only that the idea of being milked of being trained to become how had the nurse put it one of the finest sources drove her half crazy with need Dahlia hadn t dated much since her divorce and although she d been with a couple of guys the experiences had been so lackluster she hadn t felt much like bothering Not that she had any lack of offers by any means she could barely take a trip to the corner store or gas station without at least one man trying to hit on her even without makeup She was hyper aware of her nipples highly sensitive and tuned directly into her clit When Dahlia pulled on them both hands on her breasts she imagined what it might feel like to be hooked up to a machine programmed to extract milk from her Her breasts already large would be even bigger distended and tender with their burden aching for relief Her right hand slipped between her legs and she pushed her middle finger up inside her pussy Dahlia was already wet enough to drip and she could feel the hot trail of it leaking down into the crack of her tight toned ass Her left hand didn t stop pulling at her nipples Or maybe because it was an organic farm she wondered would she be milked by hand She pictured a dark handsome man his hands massaging her breasts pulling at the nipples They would be engorged with blood the areolas an even darker brown than usual and his touch on them would feel as if he were stroking her clit She wouldn t be able to hide her reaction Dahlia knew In her mind she looked up into his eyes from her place on the floor on her hands and knees and he would give her an eager look only lightly disguised under a veneer of clinical professionalism He would lean over her breath tickling the hair by her ear and whisper Give it to me Dahlia I want to taste your sweet milk Please I need to
