Internal Audit Quality Sally-Anne Pitt,2014-09-29 Deliver increased value by embedding quality into internal audit activities Internal Audit Quality Developing a Quality Assurance and Improvement Program is a comprehensive and authoritative guide to better practice internal auditing Written by a global expert in audit quality this guide is the first to provide complete coverage of the elements that comprise an effective internal audit quality assurance and improvement program Readers will find practical solutions for monitoring and measuring internal audit performance drawn from The IIA s International Standards for the Professional Practice of Internal Auditing and complemented by advice and case studies from leading audit practitioners from five different continents Major corporate and financial collapses over the past decade have challenged the value of internal audit With an increased focus on internal audit s role in good governance management is increasingly demanding

that internal audit provides assurance of the quality of its own activities The IIA standards provide a framework for audit quality in the form of mandatory guidance Recent research indicates that the majority of internal audit functions do not fully comply with the standards and as a result are not servicing the needs of their organizations as well as they might Internal Audit Quality offers a roadmap to internal audit quality providing readers the guidance they need to Embed quality into all elements of internal audit from strategic and operational planning down to day to day tasks Create well defined internal audit programs and procedures Independently self assess internal audit quality and performance Conform with the IIA standards and better practice Provide assurance over internal audit efficiency and effectiveness Deliver value by meeting stakeholder expectations As a key component of good governance internal audit is on the rise The days of retrospective compliance focused auditing is a thing of the past Organizations expect more of internal audit and many internal audit activities are accepting the challenge Rather than relying on audit supervision and external assessments modern auditors are embedding quality into audit activities to create effective programs For the auditor looking to distinguish themselves as leading edge Internal Audit Quality provides the guidance that enables the right work at the right time in the right way *Bibliography of Internal Auditing to December 31, 1955* Institute of Internal Auditors,1956 **University Auditing in the Digital Era** Sezer Bozkus Kahyaoglu,Erman Coskun,2022-04-05 This book explores how digital transformation is reshaping the manner in which higher education sectors emerge work and evolve and how auditors should respond to this challenging and risky digital audit universe in transforming the higher education system It serves to help professionals to understand the reality of performing the Chief Audit Executive CAE role in today s evolving business economy specifically in the higher education sector It compares and contrasts the stated IIA standards with the challenges and realities auditors may face and provides alternative scenarios to gaining a seat at the table This book also provides insight into critical lessons learned when executing the CAE role relevant for digitally transforming universities The main purpose of this study is to rethink the audit culture in the digital era and reveal the key characteristics that are open for improvement so that digitally transforming universities can be audited according to the higher education standards with a digitally supported value added audit approach Based on this approach the audit culture is reassessed considering the digital university conceptual framework and business model There are two main points to consider for the digital university work environment traceability and auditability In this respect policy recommendations are made for best practices to achieve value added digital audits in transforming universities The book has been written from both the reality and academic perspectives of two experienced authors Sezer is a past CAE CEO and long term senior internal auditor who has worked in the internal audit role for various listed companies financial institutions and government entities Erman has extensive information technology and university accreditation knowledge in the global higher education sector This brings a blend of value added approaches to the readers and speaks to issues about understanding and dealing with audit culture and business evolution in digitally transforming organizations

along with the requirements for upholding IIA standards Geared toward the experienced or new CAE University Auditing in the Digital Era Challenges and Lessons for Higher Education Professionals and CAEs can be a tool for all auditors to understand some of the challenges issues and potential alternative solutions when executing the role of university auditing In addition it can be a valuable reference for university administrators and CIOs as well as academics and all stakeholders related to the higher education sector *Common Body of Knowledge Study on Internal Auditing* ,2006 The Global Common Body of Knowledge CBOK study on internal auditing is an ongoing research program that will broaden understanding of how internal auditing is practiced throughout the world At the core of the program is a survey of internal auditors worldwide regarding their professional activities *The Internal Auditor at Work* K. H. Spencer Pickett,2004-02-24 A clear accessible guide to the roles and responsibilities of today s internal auditor At a time when companies are seeking to reevaluate their practices and add value to their audit processes The Internal Auditor at Work represents an invaluable user friendly and up to date guidebook for the internal auditing professional to refine and rethink both day to day methods and the underlying significance of the job Each chapter of this in depth functional analysis contains numerous resources to guide the reader toward greater understanding and performance Discussion questions promote dialogue among auditing professionals on the various topics covered Top ten considerations lists recap the important points of each chapter And end of chapter exercises are especially valuable to new internal auditors in that they facilitate self development and application of principles covered Written in partnership with the Institute of Internal Auditors with special attention to its revised standards and guidelines The Internal Auditor at Work includes chapters on The audit context The strategic dimension Quality and audit competence The audit process The audit proposition And more In a business environment currently undergoing major reevaluation The Internal Auditor at Work provides an invaluable tool for internal auditing professionals and all others with an interest in adding value to their organizational processes *Organizational Auditing and Assurance in the Digital Age* Marques, Rui Pedro,Santos, Carlos,Inácio, Helena,2019-02-15 Auditing is constantly and quickly changing due to the continuous evolution of information and communication technologies As the auditing process is forced to adapt to these changes issues have arisen that lead to a decrease in the auditing effectiveness and efficiency leading to a greater dissatisfaction among users More research is needed to provide effective management and mitigation of the risk associated to organizational transactions and to assign a more reliable and accurate character to the execution of business transactions and processes Organizational Auditing and Assurance in the Digital Age is an essential reference source that discusses challenges identifies opportunities and presents solutions in relation to issues in auditing information systems auditing and assurance services and provides best practices for ensuring accountability accuracy and transparency Featuring research on topics such as forensic auditing financial services and corporate governance this book is ideally designed for internal and external auditors assurance providers managers risk managers academicians professionals and students *Proceedings of IAC in Vienna 2020* Group of
