Kiss It Better English Edition:

Heartless English Edition JONAXX,2023-06-02 Rozen Elizalde knows what he wants and won't let anyone or anything stop him from getting them. He is strong-willed, driven, stubborn, and resolute, which causes him to clash with the people around him, including his family. Despite all that, Rozen proves himself to be faithful, caring, and protective. Coreen Aquino likes to play things safe and is always caught in the middle of two big choices. She thrives in that constant state of uncertainty, forcing others to wait for her to make decisions. But when push comes to shove, Coreen is prepared to sacrifice for the people she loves, even if it means leaving the safety of her comfortable state of limbo. Rozen has been pining for Coreen since they were children, but Coreen likes his brother Noah more and has not exactly been subtle with her feelings. Add to that the fact that she likes the chase too much to give it up just like that. But Coreen and Rozen will soon learn that though the people we love can be cruel to us, the people who are most heartless to us are ourselves. [Muhenda \(English version\)](#) Wilson Miguel, After the success and also the breaking of the law of the Black Lives Matter movement, all Blacks around the world were expelled, forced to return to Africa, creating a political division between Blacks and Whites. But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources, the kingdom of Muhenda in Africa. A place where white people were never welcome. However, an agent of the intelligence of the Whites manages to enter Muhenda. The king of Muhenda is murdered, and the white man is sentenced to death for the crime, and as retaliation, all the remaining Whites were made slaves. Years later, a dictator and tyrant empire rises, dominating all of Africa, inflicting terror, oppression, inequality, and pain. Led by the new king of Muhenda and the brother of the deceased emperor Luther Nankela, that situation forces Sowety, a young African warrior queen, and Selena, a young white slave, to stand up, step up, and fight against the new system. Two different women, two enemy races, one almost impossible, gold, freedom. **I Can't Fall In Love (English Edition)** Renée Conte,2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person, and if it hadn't been for that incomplete message she had sent him by mistake, they probably wouldn't have met again. The two young people had met when they were still children during their summer holidays on the beach at Follonica. A sincere and innocent friendship was immediately born between them, which grew stronger every summer until, as teenagers, they realized that that friendship had turned into a tender infatuation, especially on Andrea's part. But their beautiful friendship did not continue due to the break-off of the engagement between Beatrice's mother and her partner, who no longer allowed her to return to Follonica. Although Beatrice and Andrea both lived in Milan, they never had the chance to meet. During the year Andrea he used to study in Switzerland, in the summer he spent his holidays in Follonica. Then, once he graduated from high school, he moved to New York to continue his studies. A distance that is difficult to bridge. Then, even their phone calls, which were frequent at first, became increasingly rare over time until they stopped altogether. Therefore, that delicate feeling that had united them as teenagers seemed destined to remain only a

beautiful memory At the age of 19 and having put aside her crush on Andrea unlike her peers Beatrice still didn't have a boyfriend and was not interested in having one She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others She had goals to achieve before she could fall in love first of all her studies then her career and last but not least her independence Beatrice knew the pain her mother had suffered for always putting love first She didn't want to make the same mistake But in love there are no rules it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it that absorbs you body and soul that makes you do stupid things even and you cannot love or not love on command to avoid them Despite her stubbornness Beatrice's intentions are shattered when after receiving that message Andrea asks to see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young friend at the same time Giorgio Beatrice's lifelong friend also declares to her that he feels something that goes far beyond mere friendship However she is not ready to start a romantic relationship neither with Andrea nor with Giorgio for whom she nevertheless feels a deep affection In order not to disappoint either of them and not to make any decisions about their statements she is convinced that she will be able to manage the friendship of both of them Without emotional involvement but it is only an illusion and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it With love also comes jealousy which will make her make bad decisions And it is from that moment that things really start to get complicated
