**Modern Girls on the Go** Alisa Freedman, Laura Miller, Christine R. Yano, 2013-04-17 This spirited and engaging multidisciplinary volume pins its focus on the lived experiences and cultural depictions of women's mobility and labor in Japan. The theme of modern girls continues to offer a captivating window into the changes that women's roles have undergone during the course of the last century. Here we encounter Japanese women inhabiting the most modern of spaces in newly created professions moving upward and outward claiming the public life as their own: shop girls, elevator girls, dance hall dancers, tour bus guides, airline stewardesses, international beauty queens, overseas teachers, corporate soccer players, and even female members of the Self Defense Forces. Directly linking gender mobility and labor in 20th and 21st century Japan, this collection brings to life the ways in which these modern girls historically and contemporaneously have influenced social roles, patterns of daily life, and Japan's global image. It is an ideal guidebook for students, scholars, and general readers alike.

**KAMA SUTRA** Richard Francis Burton, 2023-12-24 In Richard Francis Burton's pivotal translation of the KAMA SUTRA, readers are invited into a richly layered exploration of desire, intimacy, and human relationships reflecting the intricate tapestry of 4th century Indian society. Burton's scholarly approach combines meticulous attention to detail with a poetic prose style, bringing to life the philosophical and practical aspects of the text. This translation not only preserves the original's intent but also contextualizes it within the broader spectrum of erotic literature, challenging Victorian sensibilities and offering insights into the intersection of love, duty, and pleasure. Burton, a Victorian explorer and linguist, was profoundly influenced by his extensive travels and cultural encounters throughout the East. His passion for languages and his pursuit of knowledge about diverse cultures motivated him to delve into the KAMA SUTRA, a seminal work on human sexuality and relationships. His life experiences, characterized by an unflinching curiosity and a rejection of societal norms, imbue his translation with both authenticity and a daring perspective. This translation of the KAMA SUTRA is a must-read for anyone interested in the complex nature of human relationships and the historical context of sexuality. Burton's eloquent prose and vivid interpretations make this work not only accessible but also a thought-provoking examination of intimacy. It serves as both a scholarly resource and a captivating read for those keen to explore the deeper dimensions of love and desire.

Sidra DeKoven Ezrahi, 2022-04-22 Figuring Jerusalem explores how Hebrew writers have imagined Jerusalem both from the distance of exile and from within its sacred walls For two thousand years Hebrew writers used their exile from the Holy Land as a license for invention The question at the heart of Figuring Jerusalem is this how did these writers bring their imagination home in the Zionist century Sidra DeKoven Ezrahi finds that the same diasporic conventions that Hebrew writers practiced in exile were maintained throughout the first half of the twentieth century And even after 1948 when the state of Israel was founded but East Jerusalem and its holy sites remained under Arab control Jerusalem continued to figure in the Hebrew

imagination as mediated space It was only in the aftermath of the Six Day War that the temptations and dilemmas of proximity to the sacred would become acute in every area of Hebrew politics and culture Figuring Jerusalem ranges from classical texts biblical and medieval to the post 1967 writings of S Y Agnon and Yehuda Amichai Ultimately DeKoven Ezrahi shows that the wisdom Jews acquired through two thousand years of exile as inscribed in their literary imagination must be rediscovered if the diverse inhabitants of Jerusalem are to coexist
