How to Care for Your Cat Janet Skiles,2013-04-09 This coloring book is a fun to follow guide for every family that owns a cat or is considering adopting one Simple pictures and clear concise captions teach smart safe ways for children to interact and bond with their pets Tips include the importance of vaccinations fresh water and food and litter box cleanliness as well as suggestions for grooming and training **Planet Cat** Sandra Choron,Harry Choron,Arden Moore,2007 Presents more than four hundred lists on various information on cats including cat breeds training and behavior as well as such topics as famous cats in history cat food recipes and gifts for pampered cats **Cat Care** Beverly Hill,2016-01-12 This book will provide some tips to make your life easier in the following ways Reduce your fear of cat preying on other pets increase your pleasure by showing off your pets tricks remove need to get rid of your houseplants prevent scratches on your lovely furniture prevent embarrassment of smelly carpet from pet urination increase petting pleasure decrease need to listen to cat s meow Even though cats are fairly hearty and healthy they do require some basic care This includes looking after their emotional health as well as their physical wellbeing With just a little bit of practice caring for your cat can be enjoyable as well as rewarding If you re thinking about adopting a pet and considering your new family member to be a cat you need to know the basics of how to take care of a cat People who have busy lifestyles might prefer a cat rather than a dog because they require less attention than dogs However all animals need a certain amount of proper care to be healthy and happy and before you bring your new kitten home you must learn what the cat will need Cats are good pets to keep at home as they are not as messy as some pets People find cats more adorable than dogs as they do not have that distinct smell of canines and they are smaller in nature Although taking care of cats is quite similar to dogs cat care methods might be a little complicated in some terms and these minute details make all the difference In comparison to dogs cats are quite fussy when it comes to food This is because unlike dogs their digestive systems have limitations aside from having smaller stomachs These felines have a great tendency to have allergic reactions to foods such as beef and dairy products eggs and sometimes vitamin supplements Cat owners need to begin to train their kittens as soon as you bring them home The earlier you begin to train your pet the better it will be for your household *Happy Cat, Happy You* Arden Moore,2008-01-01 Offers tips for spending quality time with cats during bath time mealtime quiet time and playtime **Cat Care** Robert Duffy,2020-07-23 A must have

book for cat owners and potential cat owners It explains what to do when dealing with a new kitten and throughout the lifetime of the cat as it becomes the pet and companion it was meant to be Not only does the book cover the vast amount of general things to consider about owning and caring for a cat more specific issues are covered These include The early years and the cat teenager What the cat should eat and drink and foods that are dangerous Basic first aid is covered before the cat gets to the vet Also how to transport the cat safely The correct insurance for the cat is a detail not overlooked Written in easy to understand language this book is a must have for all cat lovers
