## **Knowing God In Spirit And Truth:**

*Knowing God in Spirit and Truth* Christopher Adam, 2015-02-16 What is God like What are His attributes What is His personality How does He see us Why were we created Jesus is God so God is exactly like Jesus in every way When Jesus was on the earth He healed people and taught them the truth God wants to help us and teach us the truth Jesus enjoys helping us and teaching us God is a humble servant teacher who loves and supports His creation This book shows scripturally how God is very good It also explains various stories that people struggle with such as Sodom and Gomorrah the Flood and the 10 Plagues How do we have a relationship with such a good and amazing God Jesus said we are His friends if we obey Him Our faith is our faithfulness which is our obedience It is only through holiness that we can have a relationship with holy God This book shows how to get victory over various lingering sins so that we can have a real relationship with God Only when we are free from sin can our minds be freed Only once our minds have been freed can we appreciate how good God is When we know God and are abiding in holiness with Him we can receive the wisdom and courage to live victoriously in Christ Jesus

relevant and illuminate one's understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit The objective is to let the Bible speak for itself and discover what the original writer's wanted readers or those listening to the reading to understand Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion Why should one anticipate a variety of interpretations Each person comes to the study of the Bible with prior opinions judgments and beliefs These presuppositions have been formed by our culture e g ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity This is the goal to let the Four Gospels speak for themselves The theological outcome may be tentative and provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ

Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn't want any believer to become like Adam and Eve's firstborn Cain That happened because Cain

was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That s why death has no power over us And that s why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That s why if we love God we will not be afraid of Him So how do we know that we love God s children We know it when we love God and we do what He tells us to do
