Botti,2006 Envy of the World is a history of the rise and development of the American economy and Big Business over four centuries and how the individual and collective actions of Americans native born and foreign came to create the 12 6 trillion economy of today Although the building American juggernaut was blessed above other nations with all manner of natural resources the inventiveness and drive of the American people made the most of what Providence had bestowed Steadily then more swiftly the foundation was laid for success More intimate knowledge of economic reality and theory in the 20th century led ultimately to the world s greatest economy of today At time of this writing in 2006 following a presidential election campaign characterized by harsh criticism of special moneyed interests and foreign outsourcing of labor many Americans have taken a dim view of Big Business and the federal government s management of the economy This book does not shrink from pointing out episodes of corporate greed and malfeasance as well as mistakes by Washington both in the recent and distant past However the impression is epidemic among the populace that the advances and conveniences of a modern society are the God given right of Americans In point of fact the cornucopia of excellence that exists in food and household products clothing and consumer durables housing and motor vehicle transportation health care and high tech industry and other goods and services would not be available to the majority of citizens but for the ambition effort and yes self interest of entrepreneurs who founded grew and consolidated

private enterprise companies Further the sometimes contradictory efforts by government officials to balance the interests of corporations societal groups and individuals have created by and large a most beneficial atmosphere for economic endeavor The book provides periodic quantitative summation of gross domestic product population employment company results and other statistics particularly in later chapters Because the author s philosophy is that a picture and a thousand words are better than either one alone he has made extensive use of original charts and graphs illustrations industry genealogies and maps Timothy J Botti holds a PhD in the history of American Foreign Policy and is a former Lecturer Teaching Assistant at Ohio State University Botti s expertise is in the history of world empires American military and strategic studies ancient Roman history and the subject of his current work the U S economy and Big Business He takes the approach of applying broad knowledge to broad subjects synthesizing information from across many areas In 2005 Dr Botti created a firm called CLP Research to provide value added research products ranging from reports on businesses and industries to political genealogies over the Internet His previous books include *Ace in the Hole Why the United States Did Not Use Nuclear Weapons in the Cold War* Greenwood Press 1996 and *The Long Wait The Forging of the Anglo American Nuclear Alliance 1945 1958* Greenwood 1987 **American Photo - ND** ,2005-07 **PC Mag** ,2005-12-27 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Daily Graphic** Ransford Tetteh,2010-01-29 **Popular Science** ,2002-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Consumer Reports Consumer Reports,2007-01-23 Now you can get the wisdom of one full year of Consumer Reports in one place We ve assembled all twelve 2006 issues of Consumer Reports magazine and put them in a single bound collection Consumer Reports magazine is the source you can trust for ratings and recommendations of consumer products and services Whether you re buying a car a TV or a new cell phone plan our unbiased reports will help you get the best value for your money **PC Mag** ,2002-10-01 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **PC Mag** ,2005-06-07 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology Fortune Henry Robinson Luce,2005-11 **PC Mag** ,2003-01 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *PC Mag* ,2005-06-28 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest
