Abstract

Other important differences between these guidelines and previous standards concern the use of the term "disabilities" to describe the various conditions. Under the previous standards, the term "disabilities" was used to describe only those conditions that were considered to be "severe" or "chronic". Under the new standards, the term "disabilities" is used to describe all conditions that are considered to be "severe" or "chronic".

Background: Ethical challenges in rural Appalachia are often as complex as the communities themselves. The authors address the ethical challenges of a physician (historian) visiting Appalachia during the time of the American Civil War. The physician was also a Union soldier, a Confederate sympathizer, and a government-appointed health officer. He was also a Methodist minister. These roles created tensions.
