### **Mc Lapontekarr Three Mc Series English Edition:**

Mc: Laponte-karr L. Ann Marie, 2015-05-09 When Patches moves into Rich's apartment to heal from a gang attack he became the LaPonte's. Rich came home from the military and they've been together ever since. They vacation work and bed women together. When it starts getting old they decide to man up and actively search for their perfect woman. They never dreamed she'd fall in their laps or that she'd have so much baggage. Tess was a preacher's daughter with visions that had her God-fearing parents keep her away from the congregation and town. With very little outside contact and only two friends she was homeschooled and hidden for most of her life. When a group of Outlaws finds their church they find a 16-year-old Tess. She is one of the lucky ones that made it out alive with her family and friends killed or sold. She is back to being hidden. This time as a slave for the outlaws. The yearly biker rally brings Tess out in the open where she sees one of the men from her visions. From the moment their eyes meet she belongs to him. At home keeping Patches' insecurities from interfering with the relationship is a challenge. Helping Tess catch up to all she's missed and learn what normal is in the MC is another challenge that has Rich looking for advice. Pres helps where he can and gives some insight into what Patches is missing and why.
