 Deschanel *Popcorn Cleans Up* Muhammad E. Fayed, 2005 Popcorn was not known to the world until the discovery of the  
 Americas Nowhere in history can one suggest that corn and popped corn were ever planted by or known to any people of the  
 globe before America was discovered Popcorn enjoys the privilege of being the subject of more books and literature than any  
 other single snack anywhere Almost all these books have been authored and published in the USA The books range over  
 recipes stories novels as well as business sociological psychological and technical issues There is no place or country in the  
 world that has developed and made so much and many memorabilia of popcorn as America and the Americans Memorabilia  
 has been associated with so many events functions and personalities A short list includes movies festivals birthrates  
 celebrations parks restaurants buildings children games toys books and more Popcorn is one of the healthiest snacks  
 available and is by far the most popular snack in the USA It is appropriate in almost all social settings and available during  
 most sports events The United States is credited for the vast majority of agronomic research conducted to develop new  
 breeds traits and types of popcorn The same can be said about popcorn processing development and packaging The United  
 States of America is credited for being the country that has been the biggest grower developer processor promoter consumer  
 and exporter of popcorn Popcorn is the American Snack **Skinny Driven Livin 52 Balls & 52 Cocktails Recipe Book**
