

## **“The Streak” from 145th Street Short Stories by, Walter Dean Myers**

Okay, so my name is Jamie, Jamie Farrell. Remember that, in case I get famous or something. My main man, my ace, the Jack who’s got my back, is Froggy Williams. Froggy is definitely for real. Only thing is that he doesn’t know scratch about ball.

“So you missed a shot,” Froggy said. “Big deal.”

“So we lost to Powell Academy,” I said. “We’re the only team uptown that has lost to Powell.”

“So what happened?”

“The game was down to fifteen seconds and we’re losing by a point,” I said. “Tommy Smalls steals the ball and they all jump up into his face. Me, I see Tommy cop the pill and I’m running down the court. My man is trying to double-team Tommy and so I’m free as I want to be and standing under the basket.”

“Tommy didn’t see you?”

“No, he sees me, jumps up, and gets me the ball with like two seconds to go.”

“Yeah?”

“Then I blow the layup,” I said.

“Why you do that?” Froggy asked.

“How do I know?” I said. “I was free, I didn’t rush it, I banked it soft off the backboard just like in practice, and it rolled around the rim and fell off!”

“So you want to go by my crib and listen to some jams?” Froggy asked.

“Man, the whole school is on my case for blowing the game to dumb old Powell Academy and you talking about listening to some jams,” I said. “What am I going to listen to, the Death March?”

“Yo, just forget it ever happened,” Froggy said. “Life goes on.”

“No, it doesn’t,” I said. “That was the first thing that happened today. Then I go into the locker room and all the guys are giving me the evil eye because I blew the game, right?”

“Yeah?”

“So I try to finesse it off and I’m sitting there drinking a bottle of WonderAde, okay?” I said, thinking maybe I shouldn’t even tell him.

“WonderAde is cool,” Froggy said.

“It was until I dropped the bottle, it broke on the floor, and everybody had to pussyfoot around the floor so they wouldn’t get cut by the broken glass,” I said.

“Oh.” That’s what Froggy said.

Okay, so I go on home and I’m feeling miserable. When I go to bed what fills up my dreams? Tommy throwing me the ball and me blowing the layup. Only in my dreams when the ball falls off the rim it breaks up on the floor and everybody on my team gets cut. When I get up in the morning I don’t even want to go to school, but I

**The Outlook** Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1917 **Handbook of Research on Reading Comprehension** Susan E. Israel,Gerald G. Duffy,2014-06-03 Researchers of reading comprehension literacy educational psychology psychology and

neuroscience are brought together for this handbook to document and summarize the current body of research on theory methods instruction and assessment in reading comprehension

**Exploring Teachers in Fiction and Film** Melanie Shoffner, 2016-03-31 This book about teachers as characters in popular media examines what can be learned from fictional teachers for the purposes of educating real teachers Its aim is twofold to examine the constructed figure of the teacher in film television and text and to apply that examination in the context of teacher education By exploring the teacher construct readers are able to consider how popular fiction and film have influenced society s understandings and views of classroom teachers Organized around four main themes Identifying with the Teacher Image Constructing the Teacher with Content Imaging the Teacher as Savior The Teacher Construct as Commentary the chapters examine the complicated mixture of fact stereotype and misrepresentation that create the image of the teacher in the public eye today This examination in turn allows teacher educators to use popular culture as curriculum Using the fictional teacher as a text preservice and practicing teachers can examine positive and negative and often misleading representations of teachers in order to develop as teachers themselves

The SAGE Encyclopedia of Trans Studies Abbie E. Goldberg, Genny Beemyn, 2021-02-26 Transgender studies broadly defined has become increasingly prominent as a field of study over the past several decades particularly in the last ten years The experiences and rights of trans people have also increasingly become the subject of news coverage such as the ability of trans people to access restrooms their participation in the military the issuing of driver s licenses that allow a third gender option the growing visibility of nonbinary trans teens the denial of gender affirming health care to trans youth and the media s misgendering of trans actors With more and more trans people being open about their gender identities doctors nurses psychologists social workers counselors educators higher education administrators student affairs personnel and others are increasingly working with trans individuals who are out But many professionals have little formal training or awareness of the life experiences and needs of the trans population This can seriously interfere with open communications between trans people and service providers and can negatively impact trans people s health outcomes and well being as well as interfere with their educational and career success and advancement Having an authoritative academic resource like The SAGE Encyclopedia of Trans Studies can go a long way toward correcting misconceptions and providing information that is otherwise not readily available This encyclopedia featuring more than 300 well researched articles takes an interdisciplinary and intersectional approach to trans studies Entries address a wide range of topics from broad concepts e g the criminal justice system activism mental health to specific subjects e g the trans pride flag the Informed Consent Model voice therapy to key historical figures events and organizations e g Lili Elbe the Stonewall Riots Black Lives Matter Entries focus on diverse lives identities and contexts including the experiences of trans people in different racial religious and sexual communities in the United States and the variety of ways that gender is expressed in other countries Among the fields of studies covered are psychology sociology history family studies K 12 and higher education law political science medicine

economics literature popular culture the media and sports
