What is Malaria? and why is it Most Intense in Hot Climates? ... C. F. Oldham (M.R.C.P.E., &c.), 1871 What is malaria? And why is it most intense in hot climates? Charles Frederick Oldham, 1871 The Secret Public Jon Savage, 2025-02-04 Rolling Stone UK Best Music Books of the Year A monumental history of the gay influence on popular culture from the rise of Little Richard to the collapse of disco in 1979 award winning author Jon Savage takes us on a fast and captivating journey through the history of pop music as seen through the eyes of queer artists Jon Savage the author of the canonical England's Dreaming explodes new ground in this electrifying history of pop music from 1955 through 1979 In demonstrating that gay and lesbian artists were responsible for many of the greatest cultural breakthroughs in the last half of the twentieth century he shows that it was their secretly encoded music appealing to a closeted but greatly oppressed public which led to the historic dismantling of discriminatory gay laws and the fusion of queer and straight culture Fittingly Savage's kaleidoscopic work begins with the pomp and pompadour appearance of Little Richard whose relentlessly driving sound replete with gospel shrieks and sexual contortions enthralled a generation of 1950s stultified white teenagers Things soon went mainstream as Elvis enthralled a nation with his seductive low moans and bump and grind twists heavily derivative of Black music while James Dean and Rock Hudson became the face of 1950s Hollywood yet this explosion of queer expression remained covert and could not be accepted for what it was While music with supporting roles from cinema and fashion became the key medium through which homosexuality could be clandestinely enacted overt expressions of gay behavior were met with arrests and crackdowns While hippies reveled in 1967's Summer of Love gays remained harassed by police demonized by the media and politicians imprisoned simply for being who they were J Edgar Hoover himself a closeted homosexual continued to spy on homosexual deviants CBS's Mike Wallace aired an invidious show about homosexuality and the New York police continued to raid gay bars Yet the music itself produced a cultural eruption that simply could not be stanchd While Bette Midler sang Boogie Woogie Bugle Boys to a Continental Baths audience of 600 gay men all naked except for towels David Bowie blew the whole topic wide open and became the most totemic pop star of his generation Even though roadblocks remained the gear grinding crunch of the music signaled that the gay civil rights movement could no longer be suppressed Ending the narrative with the sudden collapse of disco The Secret Public asserts then that the genie was out of the bottle that queer culture had finally entered the mainstream producing a transcendent vision of pop culture that could never be marginalized again LaRue Series Donna Grant, 2023-02-03 THE LARUE BOX SET contains the complete bestselling series including MOON KISSED MOON THRALL MOON STRUCK and MOON BOUND Enter the dangerous and seduction world of a generations old family of hunters who fight the many evils that abound in New Orleans and find love along the way Moon Kissed Myles LaRue was content owning a bar and hunting evil in the French Quarter He wasn't looking for love especially after the tragedy his family already experienced But when the exquisite Addison Moore

TV-A-Go-Go Jake Austen,2005-07 From Elvis and a hound dog wearing matching tuxedos and the comic adventures of artificially produced bands to elaborate music videos and contrived reality show contests television as this critical look brilliantly shows has done a superb job of presenting the energy of rock in a fabulously entertaining but patently fake manner The dichotomy of fake and real music as it is portrayed on television is presented in detail through many generations of rock music the Monkees shared the charts with the Beatles Tupac and Slayer fans voted for corny American Idols and shows like Shindig and Soul Train somehow captured the unhinged energy of rock far more effectively than most long haired guitar smashing acts Also shown is how TV has often delighted in breaking the rules while still mostly playing by them Bo Diddley defied Ed Sullivan and sang rock and roll after he had been told not to the Chipmunks subversive antics prepared kids for punk rock and things got out of hand when Saturday Night Live invited punk kids to attend a taping of the band Fear Every

aspect of the idiosyncratic history of rock and TV and their peculiar relationship is covered including cartoon rock music programming for African American audiences punk on television Michael Jackson's life on TV and the tortured history of MTV and its progeny *International Television & Video Almanac*, 2004 **From Radio to the Big Screen** Hal
