

MLA QUICK REFERENCE GUIDE

Works Cited Page

The Works Cited should include these nine core elements **IF** the information is available. Pay attention to the punctuation.

1. Author.
2. Title of Source.
3. Title of Container.
4. Other contributors.
5. Version.
6. Number.
7. Publisher.
8. Publication date.
9. Location.

Not every source you use will have these nine elements; only use the information that is available!

Remember:

- The Works Cited page is organized in alphabetical order by the first letter/word/name of the source. Which name is applicable.
- The Works Cited page gets its own page. It is the last page of the essay.
- The title Works Cited is centered and capitalized in Times New Roman, 12 pt. font.
- The essay is setup with one inch margins on all sides, top, and bottom. Paper is double spaced.
- Standard font: Times New Roman, 12 point.

Parenthetical Citations:

- Include a parenthetical citation when you refer to, summarize, paraphrase, or quote from another source.
- For every in-text citation in your paper, there must be a corresponding entry in your Works Cited list.
- MLA parenthetical citation style uses the author's last name and a page number or the first few words of an article if no author is listed; for example: (Carlyle 71).

MLA Help:
