[Bruce Paterson, Ex-Christian, UK](#) others, **Evangelical Christian Responses to Islam** Richard McCallum, 2024-02-08. Do Christians and Muslims worship the same God? Who was Muhammad? How does the Israeli-Palestinian conflict affect Christian-Muslim relations? This is a book about Evangelical Christians and how they are answering challenging questions about Islam. Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty-first century, this book explores what the Evangelical micro-public sphere has to say about key issues in Christian-Muslim relations today. From the books they write, the blogs they post, and the videos they make, it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam. Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins.

In the years that followed, he realized that the world's two largest religions are far more different than they initially appeared. *No God but One: Allah or Jesus* addresses the most important questions at the interface of Islam and Christianity: How do the two religions differ?
