## **My Journey To Jesus:**

**My Journey To Jesus** Tom Lee,2015-07-07 This is the story of how one man cruised through life dealing with ups and downs in his Christian faith It s much more than just a biographical description though as that would probably be pretty boring There were a number of questions and issues that had to be dealt with during this journey and they all had an influence on his faith An understanding of each of these and a description of how they impacted his life is a primary part of the book The positions that were developed allowed his faith to be fortified and strengthened his relationship with God Topics that are covered include sin evil death judgmental behavior creation forgiveness the second coming of Jesus Christ and several potentially confusing topics such as baptism communion and the Trinity It is certain that everyone won t be in full agreement with the positions given but they work for him God has led him to these positions to strengthen his faith and bring him closer They certainly don t make him perfect as he is still a sinner but they do show that he can be forgiven through the sacrifice of Jesus Christ God can lead other folks to a very different understanding of these issues and these differences should not cause serious conflicts between individuals No one is perfect or has complete knowledge of God s plan for His universe You can look for and find your own understanding of these same or similar questions with the help of the Holy Spirit When your faith is fortified and you feel closer to God you ll know you ve got it The information in this book may help you think about what s right for you As you read this remember there are two great commandments Love God and love your neighbor as yourself Keeping these forefront in your mind is the best way to live your life in a God pleasing way

**My Journey To Jesus** Kristie L French,2024-03-08 This book is written from the author s heart In the beginning she didn t understand who Jesus or the Father was Through struggles and fears her journey began Making the wrong choices led her to more difficulties in knowing which direction she should go One day a little bundle came into her life and brought joy and love Now she had more choices to make because she wasn t alone The day finally arrived when the author learned of unconditional love and salvation She was now finding her way to the right path Soon to follow heartache and sorrow entered her life A trial crept in and challenged her to the heart The author has written this book with honesty and truthfulness There were times when she had to ask Father if he was sure he wanted her to write down certain events Of course he always said yes 2

Beyond Piety Gilberto Cavazos-Gonzalez,2010-08-01 Who doesn t want a liberated life Jesus offers us liberation as we grow in a Christian spiritual life But first we need to liberate our concept of Christian Spirituality from ideas that relegate it to Church on Sunday new age self help devotional or ascetical practices or fundamentalist aggression Traditionally Christian spirituality liberates Jesus disciples from personal sin and helps them to challenge sin s social consequences so that once liberated they will work to liberate others Christian spirituality living the Gospel brings good news for the poor liberty for the captives recovery of sight for the blind and freedom for the oppressed This is what Jesus came to do and this is what we as his disciples are called to do as we live our Christian callings in the world Whether we are at home work or play we are called to be Christian Beyond Piety invites readers to grow in their understanding of what it means to be a disciple of Christ More than a book on Franciscan or Hispanic Spirituality this book is about the Christian Spirituality all Christians are called to live It is about our human and Christian identity and the God we believe in It is about getting to know the Word of God and letting that Word get to know us It is about worship and religious devotion and moving beyond piety to Christian action It is about the call to justice and liberation
