neighbor I didn't mean to. I was a good girl. I'd spent the last few years alone and concentrating on my college degree but when I ventured upstairs to complain about the noise he was too gorgeous to resist and it was the best sex of my life. I didn't even get his name. A week later my mom calls from the other side of the country. She's getting re-married and wants me to visit. Only as I board the plane I see my mysterious neighbor. He's flying back because his father is getting re-married too to my mother. So the best sex of my life was with my step brother and even though it's wrong and we try to stop ourselves there's an irresistible attraction between us. It's a taboo relationship but we just can't keep our hands off each other. Surely there's no way this can end well.
