## **My Life As A Flight Attendant:**

*My Airline Years* Leenie P. Mcphearson, 2015-11-19 First Day It is my first day on the job as a new flight attendant We have finished serving and I am sitting in the last row reflecting on where I am I look forward and see the No Smoking Fasten Seat Belt Signs I see the tops of passenger heads in their seats I see someone walking toward the back of the plane headed for the bathroom I am thinking Wow I am in charge of this plane and the passengers my airline has put me here and trusts me to perform my duties That includes not only serving but also and more importantly to evacuate this jet in a survivable emergency I CAN DO THIS On every trip I meet some new airline crews and I know I have found my niche I love the chat with some of the passengers I am on a short flight 50 min airtime and I notice a passenger on an aisle seat working a New York Times Crossword Puzzle My comment I wish I could work that puzzle it s over my head 40 minutes later doing the landing check I noticed he had completed the puzzle Good job I said This book does contain some racy stories along with sad emergency and sexual stories It is now about one month into my exciting new career Looking toward the back of the airplane and see a man and a woman both go into a bathroom Hmmm what is that all about They came out a bit disheveled and I learned from the other flight attendants that the couple now belongs to the Mile High Club or simply sex in the bathroom I m thinking In that extremely small smelly space Whatever A passenger commented What a rush that must be Cute Pilot Still new in my career I am meeting some cute young pilots It certainly is not unheard of for airline crews to date but how about a hot fling with a married pilot I met Aaron and we were scheduled to fly together for the month On every flight and on our layovers we were definitely flirting to say the least On one of our layovers Aaron asked me to join him in the hotel hot tub before retiring for the evening It was a very nice hotel with a great pool and inviting hot tub I knew where this was leading and I was excited I wanted to have an evening with him no one around and no alcohol just passion We went to his room after the hot tub and I slowly took off my bathing suit and his suit as well The next several hours were everything I had expected and more Aaron had a great body and was certainly well endowed My new friend Aaron knew all the right moves to make me happy We continued with hot lusty sex for at least three hours I returned to my room as a happy girl I m sure I looked tired in the morning We met as a crew in the hotel lobby to return to the airport I remember the Captain smiling at me and continuing to smile throughout the trip Thankfully no comment was made guess what Adorable Aaron signed up to fly another month with me So the excitement and passion was repeated a couple more times Aaron created a very special memory for me one that I will never forget Do you think that experience is a rare one for flight crews Think again Having a nice clean room ready and waiting is just too tempting for many certainly not all Being young and having a few sleepless nights I can handle My Company relies on me to have due diligence on every flight I tried to never let them down I always valued the safety of my entire group of passengers above everything else Enjoying my evenings on layovers now that s a different story So many stories where do I start Straight men gay men straight women gay women bi sexual or whatever They

**A Generic Life** Steven Rivera,2020-06-11 A coming of age and picaresque story with a continuum of knee jerk humor and descriptive details sees its way through the unpleasantness of abuse and not having any permanent roots or family Readers follow the main character from childhood to adulthood as he is shifted from multiple homes and states Throughout the character s journey the persona he develops is born from innocence natural given talents and his desires to make happiness exist Although the story begins with horrific abuse the reader soon realizes that this is not the focus of the book but rather the beginning of a quest The author s intent is for readers to question What happened Some questions cannot be answered and remain a mystery The coming of age and rite of passage events remind readers of their own stories to tell and compare A collage of images and feelings will take readers back to their childhood memories as they shadow the main character The happiness bitterness and humor are fueled by extreme turning points and multiple changes of ideologies cultures and idiosyncrasies that molded the main character into a psychedelic hodgepodge of personality Readers will take on all the emotional elements experiences and constant changes as they were happening They uncover the answers and realizations of feeling alone and unwanted until they are warmed and tickled by the character s way of viewing the world The title of the book and each chapter reflects the constant changes during the main character s life The theme style and language are comparable to Angela s Ashes A Child Called It and I m Nobody s Child It is not a woe is me book The detailed descriptions allow readers to feel the despair of what it is like being an anomaly but more importantly to enjoy and have fun learning about typical boy fantasies thoughts rationales and the angst and anxieties of growing up
