Dagnes,2012-09-06

Conservative critics argue that modern political satire in the age of The Daily Show has a liberal bias A quick review of the humor landscape shows that there are very few conservative political satirists and using personal interviews with political humorists this book explains why The book explores the history of satire the comedy profession and the nature of satire itself to examine why there is an ideological imbalance in political humor and it explores the consequences of this disparity This book will appeal to Daily Show and Colbert fans political junkies and anyone interested in the intersection of politics and media *Enos* George Forss,2007-08-31 Enos is a biblical character Enos is the grandson of Adam In different bibles this name is spelled Enos Enoch and Enosh It is said that Enos was the first human being to reach up to the heavens to pray to God for guidance Enos as far as science is concerned would be the first early on human being that paused one day suddenly to speak to God in the sky This is so because somewhere in our past there would have to be a first person to do something like this My book ENOS is my own prayerful quest to know the whole truth about humanity at long last I do have it here I believe I do because I asked for some guidance from God as did Enos I started writing my book in 1983 and it is based on a stark experience I had when I encountered some amazing wisdom in 1969 This experience made me want to know more about God in life My quest is based on a book I read that a young woman named Buffy put together in 1969 which had the wisest words I have ever encountered Buffy had what she called a report She had a report that claimed to contain the real truth about humanity in the universe My book Enos is a similar phenomenal report about humanity and much more My book is much the same as Buffys report because it is a recreation of what I saw in her report that indeed some Aliens did come to the earth in 1969 to create a new bible for our world There is a conversation that goes on for about 400 pages of my writing In this way a new body of wisdom is born My writing is about 700 pages in total My book is not about my view of the universe revealing Gods might to us My book is more like a prayerful quest because I am asking God in the universe for answers I know that I have the same basic wisdom contained in Buffys book My writing contains hundreds of new finding sentences We know these as long standing wise sayings like He Who Lives by the Sword Will Die by the Sword A few years after I met Buffy from the day when she told me that some wise Aliens had abducted her and her friends I ran into Buffy again When I questioned her she said her report from those days was junk She said You know how we were in those days George Her report wasnt junk to me and I had to have it back Buffy didnt even know where her original report book was On this very occasion I made a vow to God and I started getting finding sentences immediately These are transcribed all throughout my writing God always wins In ENOS we learn that humanity is a part of God and part of some advanced Alien life form intelligence that came to the earth about 200 000 years ago I am talking about the giants we read about in our basic

Christian Bible in Genesis This situation of a foreign intelligence cannot last long and when it is over only a Godly being will remain that suits this earth perfectly for a very long time This foreign intelligence is humanity Enos is about God in the universe Enos teaches us how to live freely for a million years Enos is a new American style mindset American lingo about the wisdom that all natural creatures have known through the eons The Aliens themselves in Enos are an amazing perfectly natural life form that has survived a long time in evolution to become who they are now who they want to be My book has to be known as a religion This bold statement goes along with the process by which I have been able to write this book out at all Enos is also an overly long diatribe of rhetorical writing that many will not like and some will be completely enthralled by It can also be looked upon as being a book of poetry Enos has about 50 poems in it a few long poems and many short ones and many passages that are poetic like The Aliens in my report say that this entire writing is a prolonged poem      *Silent Sons* Robert Ackerman,2008-06-30 It could be you or someone you love Strong silent types are everywhere and it is their telltale silence that has kept their problems hidden until now A silent son can come from a family that coped with violence alcoholism child abuse extreme rigidity or divorce but all silent sons have certain common characteristics They keep things that bother them to themselves They deny that unpleasant events occur They fear letting people know them They have difficulty interacting with their parents spouses or children They have a strong fear of criticism They are often angry In *Silent Sons* Dr Robert Ackerman a silent son himself examines the problems that commonly confront silent sons keeping them from experiencing the full range of human emotions In a compassionate and hopeful voice the author defines the silent son and examines the impact of parents particularly fathers on these men and shows how their dysfunctional upbringing affects their present relationships especially with women By putting aside anger finding peace with one's self and looking for support from other silent sons Dr Ackerman feels every man can realize his full potential and become a well balanced healthy survivor      *Zac Zap The Great Big Canoe Race* Michael Verrett,2019-07-19 For Zac Zap a boy with spina bifida the wacky adventures continue In this second book adventure finds Zac Zap His bustling city introduces the trolley and with the help of the friendly trolley driver Mr Wes Zac and his wheel chair explore like never before When he and Mr Wes foil a robbery the local head of Acme Trolley fire Mr Wes in spite of his heroics The replacements trolley drivers are indifferent to Zac's condition and incompetent Zac becomes a lost boy when he is mistakenly put in a mail car and sent west hundreds of miles A series of mishaps has him working for the rail company driving a bus and arriving in the town of Smartinville on the bayou Teche just in time to help his friend Amy participate in the Great Big Canoe Race Amy who has Down syndrome and Zac must out paddle and outwit the competition bears a swamp monster hidden traps and villains galore      *Proving Manhood* Timothy Beneke,1997 Essential reading for understanding the modern American man and his struggle with the women in his life
