My One My Only My Warrior Angel:

My One, My Only, My Warrior Angel Susan Wheeler, 2013-11-27 *My One My Only My Warrior Angel* Susan Miner Wheeler, Peggy Miner Frazier, 2014-10-26 I was on a train and it was moving extremely fast If I had to guess we were traveling close to one hundred miles an hour I now had a choice to make jump and maybe die or stay here and die What a hell of a choice I thought I decided I would be better off taking my chances and jumping Who knew what they would do to me once they got me to their compound Before I could jump I had to get the door open farther Slipping through the small opening I placed my back against the wall and pushed It did not even move an inch at first and then I felt it give away slightly Throwing all of the strength I had left into it it moved enough for me to jump As I looked at the ground speeding by me my heart began to accelerate This by far was the scariest thing I have ever had to do in my life Drawing in a huge amount of air I went to jump when I felt the train slow down immensely Peering out as far as I could see I saw a gigantic mountain and the train was heading right for it If I was going to do this I had to do it now Rather than think about it I jumped **"My #1 Is Still My #1!"** , **Spirits, Ghosts, Demons Exposed** Elaina Mitchell, 2021-03-16 Do not read this book if you are afraid to learn the truth Remember once you have learned the truth there is no turning back If you are not a believer and you read this book you will become a believer In this book you will read about some of my personal experiences and a few others in my life and their experiences If this still is not convincing then I ve also added some biblical facts The truth can be found in Ephesians 6 12 Churches this is your wakeup call **Angel in My Pocket** Beth Decker, 2008-06-25 Angel in My Pocket begins with a young mother frantically racing to bring her newborn daughter to her dying great aunt Rizzie in hopes of giving her a reason to live and so her daughter can benefit from Rizzie s magic When she arrives too late she s plunged into a quirky journey that weaves through her nearly unbelievable childhood memories as she attempts to understand this mysterious aunt and her dark secrets as well as the other eclectic group of women who raised her Angel in My Pocket dances through the spectrum of emotion From laughter that wells from deep inside the soul to tears that real life absolutely inflicts upon us leaving the reader looking at the truths of life and love within family Those are the things that ultimately heal the spirit and give focus and purpose to all our life journeys **Proceedings of ... National Convention of the American Legion** American Legion. Annual National Convention, 2014 **Blue Diamond Journey** Esther Supernault, 2010-11-18 Esther Supernault put her life on the line for her beliefs In Blue Diamond Journey she shares her secret gift of insight and guidance from the world of spirit Born of a Celtic and Native American heritage of seers she narrates how she received incredibly detailed sometimes humorous messages from her dreams visions and meditations messages that she then validated with solid medical research Day by day she was guided to specific foods helpers therapists doctors and books to heal her breast cancer without chemo or radiation Every person is part of an interconnected web as vast as this universe rather than a collection of parts Our innate inner soul contains incredible healing wisdoms Real healing honours this web of

PURPOSE BEYOND THE PAIN Desiree R. Howell, 2025-07-11 This is a story of struggle and rescue born from the depths of actual events where I as a young girl set out on a journey in search of validation love and self worth Amid the tumult of adolescence grappling with internal scars I found solace in crafting a fantastical narrative losing myself at times in an illusionary embrace unsure where reality ended and fiction began This story chronicles my transformation from a vulnerable and struggling young girl to a resilient woman navigating the unknown terrain of life s journey while unaware of God shaping my path With raw honesty and humility I lay bare my heart upon the pages of this book recounting experiences long cloaked in silence Through this act of vulnerability I discovered healing shedding light on events long kept in the shadows Purpose Beyond the Pain stands as a testament to navigating life s tumultuous terrain with Jesus Christ s unwavering presence as my guiding light In the peaks and valleys of my journey grace and mercy were constant companions illuminating even the darkest alleys and poorest decisions Though the road was fraught with challenges the culmination of my story reveals the miraculous intervention of Jesus s love never too late to rescue never too distant to reach Jesus said to them It s not the healthy who need a doctor but the sick I have not come to call the righteous but the sinners Mark 2 17 NIV In sharing my story I extend an invitation and a reminder that each of us holds a unique narrative waiting to be shared Amidst the complexities of life may this story serve as a beacon of hope illuminating the transformative power of God s love and inspiring all who encounter it to embrace their journey with courage and faith We all have a story This is my story
