**Homeless It's Personal How I Found My Purpose in Ministry** Charles Marion Thomas Jr., 2022-03-10 Charles Marion Thomas Jr gives personal testimony of how he dealt with finding his independence after several years being a caretaker for

his parents as their health began to fail and speaks candidly about this reality of epic struggle he endured subsequently leading to a lengthy period of chronic homelessness and living out of his car Charles believed that when his parents died he would serve the Lord in full time ministry while still being homeless To understand what led to his story he explains to the best of his knowledge these events as they happened His initial experience began when his mother had her stroke in 2002 while she was in school and suffered a brain aneurysm while in class on the left side of the brain that paralyzed the right side of her body Then later his father died from a heart attack in the house in 2006 and the challenge presented itself Charles decided to put his life on hold to care for them and run the house While still lacking stable and appropriate housing he became homeless through no fault of his own but to serve and honor his parents In the end Charles explains how the Lord brought him out of a long journey of homelessness

***Tornado Valley: Huntsville's Havoc*** Shelly Miller, 2013-01-10 Touchdown Folks in Alabama don't know whether to cheer or run when hearing the expression Touchdown could mean that we've just won another football National Championship or it could indicate that a tornado is on the ground I could never be a storm chaser I'm the one the storm chases Funnels circle around me like shark fins as I bow my head in a school hallway kneel down in a convent or give birth to a newborn baby wailing in unison with the tornado sirens I huddle with toddlers in showers and beg for shelter in a McDonald's freezer I remain a sitting duck in a second floor apartment and find myself in the wrong place at the wrong time while in the emergency room

with storm victims Life in the Rocket City is a thrill ride which is not for the faint of heart this I know So brace yourself for a front row seat on a ride through Tornado Valley Alabama is the home of the world s deadliest twisters and Huntsville is in the heart of the arena Our space history is out of this world but our tornado history will blow you away Take a rollercoaster ride through the history of Alabama tornadoes before plunging into the gripping story of the Day of Devastation Witness the stars falling on Alabama in 1833 Then get ready for the sky to fall The plot twists as Huntsville s torrid tornado past comes alive in the 1974 Super Tornado Outbreak The rollercoaster corkscrews as it encounters an unexpected twister in 1989 that slingshots the reader into the angry vortex on Airport Road The ride cruises before taking another gut wrenching dive that catapults its riders into an inverted twist from yet another Anderson Hills tornado in 1995 The town turns upside down but Huntsville survives revives and thrives But the worst is yet to come Another tornado season is just around the corner Beware of the month of April especially on a Wednesday The warning sirens wail we re bombarded by softball sized hail and an EF3 tornado slams into the jail It s just another day in Alabama but the countdown clock is ticking The next tornado warning could be the one Our voice drops to a whisper when we mention an EF5 We realize life is too short The coaster accelerates Can you feel the torque We have no idea what s around the next bend Suddenly the nightmare comes true as the ride zooms out of control this time in a free fall on April 27 2011 Alabama is bombarded by a record 62 tornadoes in one day Abruptly the ride comes to a screeching halt The adrenaline rush subsides You ve just experienced Huntsville s Havoc Immediately the passengers ask one another Do you want to ride again Some will and some swear never again
