Billionaire Romance. Do you think that it's true what they say about money not being able to buy happiness? I do. Raised with my mother in a poor environment, my life changed drastically when she married a kind and loving billionaire, a man as rich in spirit as he was in wealth, and I was suddenly dropped into the lap of the aristocracy. Adapting was always difficult for me: shy and reserved and lacking confidence as I was forced to be social in ways that I never had before in the past. What's more, I felt an intense sense of loneliness, harboring a secret crush on my stepbrother Alex for years without him knowing it, and him seeming like he saw the connection between us as nothing more than a simple sibling relationship. I watched for years as Alex destroyed his life with his own wealth going down a heartbreaking path of debauchery and excess, thinking the whole time that he'd forgotten about me in my sad, lonely life. But then one night he comes to my doorstep with a long hidden confession of his own, and I have to ask myself: If you can't buy happiness with money, can you still find a way to be happy despite it? This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. Content suitable for mature readers; contains sexual content and harsh language. **My Irresistible New Stepbrother** Laura Havemeyers, 2016-10-20. The night I moved into my new building, I fucked my new neighbor. I didn't mean to. I was a good girl. I'd spent the last few years alone and concentrating on

my college degree but when I ventured upstairs to complain about the noise he was too gorgeous to resist and it was the best sex of my life I didn't even get his name A week later my mom calls from the other side of the country She's getting re married and wants me to visit Only as I board the plane I see my mysterious neighbor He's flying back because his father is getting re married too to my mother So the best sex of my life was with my step brother and even though it's wrong and we try to stop ourselves there's an irresistible attraction between us It's a taboo relationship but we just can't keep our hands off each other Surely there's no way this can end well

The Twisted Gentleman Victoria Sparks, 2015-07-24 A Stepbrother Romance I needed some major discipline in my life For years I'd grown up in an unhappy family with my mother and stepfather who treated me like garbage and set up a highly dysfunctional household around us There was one person though who seemed to love me more than anyone in the world my stepbrother He would have given me the shirt off of his back if I'd asked for it But while he was working to better himself slowly building up an empire that would eventually make him a billionaire I was wasting my life with my cruel and unloving high school sweetheart Ryan stuck in the muck of my unhappy existence It took a pregnancy scare for me to step back and question what I was doing with myself and I decided from that point on and with the help of my stepbrother that I was going to start making some major changes to my life But first that would require a visit to my stepbrother's mansion and some discipline involving a blindfold and whips This is a stand alone Contemporary New Adult Romance novel No Cliffhanger Content suitable for mature readers contains sexual content and harsh language
