*A New Witness for God Volume 2 (of 3)* Brigham Henry Roberts, 2014-12-03 Example in this ebook The following work was begun twenty two years ago in England when the author was in that land on a Mission as assistant Editor of the Latter day Saints Millennial Star It was the author s design then to make the treatise on the Book of Mormon the first volume under the general title New Witnesses for God but after some progress in collecting and arranging the materials had been made the thought occurred to him that the Prophet Joseph Smith in chronological order if not in importance preceded the Book of Mormon in the introduction of God s Witnesses in this last and great dispensation The materials of this work therefore so far as they had been collected were laid aside and work was begun on the treatise of Joseph Smith as a Witness for God which however because of many other demands upon the author s time was not published until 1895 Meantime work was continued from time to time upon the treatise of the Book of Mormon and in 1903 4 5 the materials were used substantially as in their present form as Manuals for the Senior Classes of the Young Men s Mutual Improvement Associations The work has undergone a thorough revision at the hands of the author and is now to take the place in his writings designed for it so long ago While the coming forth of the Book of Mormon is but an incident in God s great work of the last days and the book itself subordinate to some other facts in that work still the incident of its coming forth and the book are facts of such importance that the whole work of God may be said in a manner to stand or fall with them That is to say if the origin of the Book of Mormon could be proved to be other than that set forth by Joseph Smith if the book itself could be proved to be other than it claims to be viz and chiefly an abridged history of the ancient inhabitants of America a volume of scripture containing a message from God to the people to whom it was written to the Lamanites American Indians who are a remnant of the house of Israel and also to Jew and Gentile written by way of commandment and also by the spirit of prophecy and revelation if I say the Book of Mormon could be proved to be other than this then the Church of Jesus Christ of Latter day Saints and its message and doctrines which in some respects may be said to have arisen out of the Book of Mormon must fall for if that book is other than it claims to be if its origin is other than that ascribed to it by Joseph Smith then Joseph Smith says that which is untrue he is a false prophet of false prophets and all he taught and all his claims to inspiration and divine authority are not only vain but wicked and all that he did as a religious teacher is not only useless but mischievous beyond human comprehending Nor does this statement of the case set forth sufficiently strong the situation Those who accept the Book of Mormon for what it claims to be may not so state their case that its security chiefly rests on the inability of its opponents to prove a negative The affirmative side of the question belongs to us who hold out the Book of Mormon to the world as a revelation from God The burden of proof rests upon us in every discussion It is not enough for us to say that if the origin of the Book of Mormon is proved to be other than that set forth by Joseph Smith if the book itself be proved to be other than it claims to be then the institution known as Mormonism must fall We must do more than rest our case on the inability of

opponents to prove a negative To be continue in this ebook      *My Daily Devotional Prayer Book - Volume 2* Johnny Hunt,2011-09-05 Begin and end each day focused on the presence of God Whether starting out the day or winding down for the night staying connected to the presence and work of God is the most important way to do both The One Year Devotional Prayer Book Volume 2 is a perfect resource for men and women alike for daily devotions and morning and evening prayer After an introduction by Johnny Hunt former Southern Baptist Convention president each of the 52 contributing pastors and evangelists share a week s worth of devotions and prayers all tying to the seventeen topics of living the Christian life The handsome leatherflex design is beautiful for any nightstand keeping the precious time spent with the Savior as close as one s fingertips      *Chronicles with God: Volume Two* Christopher Raj,2019-10-21 This book is all the sermons I heard coming from the pulpit of the Church Messages from the sermons could mean many things to people according to each person s walk with God meaning in all theses there is always a still voice of the Holy Spirit who speaks specifically to current situation and or your walk with God according to the purpose in which God has called you I always had a desire in my heart to share that word of God to people who wants to hear him I know with reading of this book you will be edified There is no meaning to life unless it is purpose driven Have a fulfilled life as he speaks to you as he did with me We must learn to listen to that still voice of God What I have written is all about that still voice of God coming from the many man or Prophets of God 10 17 19 The book contains a series of messages that came from the Pulpit while I was attending Metrotabernale a church in Kuala Lumpur Malaysia Being a Human Resources practitioner specialising people management I realise people are a sum total of what they think Attitudes and behaviour are a result of their past experience and or based on the cultures The value system and prejudices are based on the thought process that has been accumulated over the years The only way to change this if it wrong is to know your creator and the purpose for which you are created Roman 8 verses 28 30 28 And we know that in all things God works for the good of those who love him who i have been called according to his purpose 29 For those God foreknew he also predestined to be conformed to the image of his Son that he might be the firstborn among many brothers and sisters 30 And those he predestined he also called those he called he also justified those he justified he also glorified We are called according to his purpose we are predestined we are justified and we will also be glorified This book will help to find that purpose for a fulfilled life Our life is not our own but for others who God places in our life This book will help those who are searching their God given purpose It will also help as a guide to Christians or Preachers who need guidance to preach the word of God We are all not perfect including me This book will help us walk this life towards perfection until that day 2 Timothy 4 verse 7 7 I have fought the good fight I have finished the race I have kept the faith Chronicle with God will help you to fight a good fight finish the race while you keep your faith      **A Divine Connection With A Message From God Volume II** Michael Gagliardi,2013-05-22 This book series A Divine Connection With A Message From God volume II subtitle Michael Yes Lord You Have Been Redeemed You will learn and discover the real meaning of what it truly means to be
