Dissolution of political party Sungjin Kim,2017-05-24 The Korean Constitutional Court adopted a two prong test in its
first case on dissolution of political party in determining whether to dissolve the political party According to Article 8 Section
4 of the Korean Constitution a political party may be dissolved if the purposes or activities of the political party are contrary
to the fundamental democratic order The Korean Constitutional Court not only used Article 8 4 of the Constitution as a
standard of review for dissolution of political party but also adopted the principle of proportionality as another standard of
review to be met even though the Constitution does not explicitly say so The European Court of Human Rights has also used
essentially a two step test where the dissolution of a political party is justified if there is a pressing social need for the
dissolution and the dissolution is proportionate to the legitimate aims pursued In principle the criteria established by the
Korean Constitutional Court is very similar to the ones developed by the European Court of Human Rights even though the
outcome of the application seems to be somewhat different Internet of Things, Smart Spaces, and Next Generation
