explaining the successes and failures of these policies both mobilization wise and implementation wise The term genderframing refers to a dynamic and interactive process between the State and its population which entails the symbolic rework of meanings associated with women related policies It is argued that such re interpretation has been purposefully conducted by the Emirati State in order to portray the changing roles of women as necessary and desirable for reasons associated with nation building purposes religious conformity promotion of family values and efforts at indigenous cultural preservation The book highlights the profound intertwining of gender nation building and domestic socio political dynamics in a country that while seeking to establish its modernizing credentials is still struggling for self definition and empowerment

The Formation of the UAE Kristi Barnwell, 2024-04-04 December 2 1971 ushered the United Arab Emirates into existence and marked the end of one hundred fifty years of British protection of the Arab states of the Gulf Today the UAE projects an image of modernity and prosperity but before its formation the emirates endured poverty and political upheaval while the rulers and people navigated the transition from autonomous city states to modern nation states under informal British rule This book shows how the Trucial States came to form a sovereign federation paying particular attention to the role of nationalism and anti imperialism Kristi Barnwell demonstrates that the ruling sheikhs of the Gulf Arab rulers in the Gulf strove to create their new state with close ties to Great Britain which provided technical military and administrative assistance to the emirates while also publicly embracing the popular ideologies of anti imperialism and Arab socialism that were still dominating the political discourse in the Arab world In the process she situates the Emirates modern history in the broader narratives of the history of the Middle East The research draws on primary source materials from British and American government archives speeches and government publications from the Arab Emirates as well as memoirs and secondary sources
