Essentials of International Relations Sixth Edition Mingst, 2013-10-01 Essentials of International Relations Mingst, Karen A, Arreguin-Toft, Ivan M, 2013-08-31 The text that instructors trust has been updated and redesigned for today's classroom Contemporary topics in international relations are thoroughly covered and a new full color design and new features get students engaged and thinking critically **The War on Terrorism** Stephen Gale, Harvey Sicherman, Michael S. Radu, 2011-12-31 On September 11 2001 a small number of desperate men hoping to earn paradise attacked New York and Washington D C Their spectacular acts of destruction concluded America's nearly decade long vacation from insecurity known as the post Cold War era As eras go this one was short and it certainly ended with a bang not a whimper The United States still sole superpower was now challenged by a bleak new world Americans do not care for the bleak and do not tolerate it for long Predictably national shock soon became righteous anger coupled to international campaigns against groups and states held responsible for the scourge of terrorism These were short term measures that hurt our enemies but did not fix the problem Not long after these events the Foreign Policy Research Institute organized a new Center on Terrorism Counterterrorism and Homeland Security Its purpose was to take a longer term view of the terrorism problem and what might be done about it not only academic research but also policy suggestions This book contains a broad selection of the Center's output including essays on American strategy homeland security knowing the enemy and the military dimension A notable feature is the discussion of the educational issue what and how to teach our children about terrorism

Peacebuilding Paradigms Henry F. Carey, 2020-12-17 Peacebuilding is explained by combining interpretive frameworks paradigms that have evolved from the subfields of international relations and comparative politics **Richard Ned Lebow: Essential Texts on Classics, History, Ethics, and International Relations** Richard Ned Lebow, 2016-09-19 This last one out of four volumes by Richard Ned Lebow in this book series focuses on various fields of social sciences and their connection to international politics The author writes about topics in psychology tragedy and ethics All of these fields are being put into relation with political aspects especially international relations *Yemen's Road to War* Saddam Abdulkarim Obaid, 2023-08-18 War can be woven into the social fabric of a country Threats to the national identity of Yemen were not born yesterday nor was it born when the war began in 2015 This is a story whose depths go all the way back to the middle of the 20th century and the diverse sectarian and regional actors within Yemen at that time Efforts made to uncover the motives of this conflict's development and motivations included exclusive interviews with the representatives of all Yemeni active parties By approaching each perspective this book develops an approach to see where the real roots of the conflict lie and to explore the possibility that a common ground could be found to restore peace and stability to Yemen **Imitation in International Relations** B. Goldsmith, 2005-03-01 Imitation and emulation are mechanisms of competition in international relations that are theoretically posited but empirically diffuse Goldsmith provides a trenchant overview of the extant

literature and evidence finding that specification and operationalization problems may explain the disconnect Providing a distinctive and generalizable approach drawing on concepts from psychology and organizational behavior this book refines theories of foreign policy to include observational learning to identify when imitation is likely and what behaviors are most imitated Both statistical and case study methods are used to uncover patterns of analogy usage Looking at Russia and the Ukraine Goldsmith increases our understanding of the foreign policies of these two states while also expanding the empirical base of research By exploring the practical and theoretical significance of learning and imitation this is an important contribution for foreign policy professionals and scholars Global Politics and Violent Non-state Actors Natasha

Ezrow,2017-03-13 Moving beyond terror groups to examine non state actors including warlords gangs and private security companies Violent Non State Actors Guides you through the core theories and concepts taking a multidisciplinary approach Examines different explanations for the emergence of violent non state actors as well as strategies for dealing with them Weaves in international case studies from groups including the Islamic State Los Zetas Hamas and Al Qaeda as well as discussion questions further reading and definitions of key terms A must read for upper level undergraduate and postgraduate students in politics international relations security and terrorism studies **Essentials of International**

Relations Mingst, Karen A.,McKibben, Heather Elko,2021-09-02 With a new chapter on the environment and extensive coverage of the coronavirus pandemic and global health Heather McKibben continues to enliven Karen Mingst s classic concise text Refined and expanded InQuizitive activities help students learn retain and apply key concepts to real world events Plus new biweekly News Analysis activities help students apply the main theories of the text to contemporary real world examples they would encounter in the media **Great Powers and US Foreign Policy towards Africa** Stephen M.

Magu,2018-08-14 This book addresses one main question whether the United States has a cohesive foreign policy for Africa In assessing the history of the United States and its interactions with the continent particularly with the Horn of Africa the author casts doubt on whether successive US administrations had a cohesive foreign policy for Africa The volume examines the historical interactions between the US and the continent evaluates the US involvement in Africa through foreign policy lenses and compares foreign policy preferences and strategies of other European EU and BRIC countries towards Africa
