A Brilliant Mind Frank Minirth M.D., 2007-01-01 Most people use less than 5 percent of their overall brain potential A Brilliant Mind helps readers tap into the other 95 percent through the mental exercise of vocabulary building and memorization With the exercises in this book readers can improve test scores increase IQ memorize more information communicate more effectively and excel in work and interactions with other people Developed from Dr Minirth's vast experience as a psychiatrist A Brilliant Mind contains dozens of word lists to memorize a process that will not only increase vocabulary but also change and grow the brain itself The book also reveals eight time proven memory techniques encourages Scripture memorization and offers insights into language that

will open new doors for any reader A Brilliant Mind will be especially helpful to baby boomers looking for mental exercises to sharpen their minds and improve their memories Essentials of Abnormal Psychology David Barlow,Vincent Mark Durand,David H. Barlow,2012-01-18 In this briefer version of Durand and Barlow s widely taught text the authors explain abnormal psychology through their standard setting integrative approach the most modern scientifically valid method for studying the subject Through this integrative approach students learn that psychological disorders are rarely caused by a single influence but rooted in the interaction among multiple factors biological psychological cultural social familial and even political A conversational writing style consistent pedagogy and real case profiles 95 percent from the authors own case files provide a realistic context for the scientific findings of the book In addition these features ensure that readers never lose sight of the fact that real people are behind the DSM IV TR criteria the theories and the research *General Psychology* Walter S. Hunter, *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), *A - Airports* British Library,2012-05-21 No detailed description available for A Airports **Andersonvilles of the North** James Massie Gillispie,2008 Andersonvilles of the North by James M Gillispie represents the first broad study to argue that the image of Union prison officials as negligent and cruel to Confederate prisoners is severely flawed This study is not an attempt to whitewash Union prison policies or make light of Confederate prisoner mortality But once the careful reader disregards unreliable postwar polemics and focuses exclusively on the more reliable wartime records and documents from both Northern and Southern sources then a much different less negative picture of Northern prison life emerges While life in Northern prisons was difficult and potentially deadly no evidence exists of a conspiracy to neglect or mistreat Southern captives Confederate prisoners suffering and death were due to a number of factors but it would seem that Yankee apathy and malice were rarely among them BOOK JACKET
