Iliev, 2023-11-10 Looking to pursue an MBA The journey can be daunting but fear not this book is here to guide you every step of the way With so many business schools and programs to choose from it's important to know what you're looking for

That's where this book comes in. The authors help you understand the differences between full-time, modular, online, and executive MBAs and provide expert advice on selecting the right program for your unique needs. But that's not all: the book also shows you how to make the most of your MBA experience, helping you to develop knowledge, skills, and personal growth. It explores the benefits of alumni associations and shows you how an MBA can be a game changer for your career. And here's the best part: you don't need to spend a fortune on a Harvard or Stanford MBA to achieve your goals. The book introduces you to a range of high-quality MBA programs across the globe, from Europe to China, India to Latin America, that offer top-notch alternatives that won't break the bank. Whether you're a senior manager, entrepreneur, or fresh out of college, this book is the ultimate resource for anyone seeking to unlock their full potential with an MBA.

Getting Into Graduate School Gregory J. Privitera, 2014-07-15 In this exciting new book, experienced author, professor, and teacher Gregory J. Privitera, 2013 Advisor of the Year at St. Bonaventure University and recipient of the SBU Award for Professional Excellence in teaching in 2014, draws on his extensive expertise to give students a step-by-step plan for success in preparing for and applying to graduate school. Broad in scope and rich in detail, *Getting Into Graduate School* includes insights into how graduate school selection committees decide on candidates, a concrete freshman-to-senior year plan, and samples of application materials, resumes, and cover letters. This empowering book provides everything students in psychology and the behavioral sciences need to map their course to academic and professional success. Privitera helps students to keep their eye on a goal and a prize from day one of college and helps them to understand that long-term thinking can enhance all areas of life.

Ramani Durvasula, California State University, Los Angeles The single most impressive aspect is the concrete plan outlined for how students can plan for applying to graduate school as early as their freshman year.
