Climate Benefits of Material Recycling Hillman, Karl, Damgaard, Anders, Eriksson, Ola, Jonsson, Daniel, Fluck, Lena, 2015-07-06 The purpose of this project is to compare emissions of greenhouse gases from material recycling with those from virgin material production both from a material supply perspective and from a recycling system perspective The method for estimating emissions and climate benefits is based on a review followed by a selection of the most relevant publications on life cycle assessment LCA of materials for use in Denmark Norway and Sweden The proposed averages show that emissions from material recycling are lower in both perspectives comparing either material supply or complete recycling systems The results can be used by companies and industry associations in Denmark Norway and Sweden to communicate the current climate benefits of material recycling in general They may also contribute to discussions on a societal level as long as their average and historic nature is recognised

Edinburgh Companion to the Critical Medical Humanities Anne Whitehead, 2016-06-14 In this landmark Companion expert contributors from around the world map out the field of the critical medical humanities This is the first volume to introduce comprehensively the ways in which interdisciplinary thinking across the humanities and social sciences might contribute to critique and develop medical understanding of the human individually and collectively The thirty six newly commissioned chapters range widely within and across disciplinary fields always alert to the intersections between medicine as broadly defined and critical thinking Each chapter offers suggestions for further reading on the issues raised and each section concludes with an Afterword written by a leading critic outlining future possibilities for cutting edge work in this area Topics covered in this volume include the affective body biomedicine blindness breath disability early modern medical practice fatness the genome language madness narrative race systems biology performance the postcolonial public health touch twins voice and wonder Together the chapters generate a body of new knowledge and make a decisive intervention into how health medicine and clinical care might address questions of individual subjective and embodied experience

Social Work and Integration in Immigrant Communities Kathleen Valtonen, 2016-03-03 There has been a marked rise in global migration with many former countries of emigration becoming immigration destinations As a result of this social workers increasingly encounter immigrant clients and are called upon to work in their communities At the same time in the field of research theories conceptual frames perspectives and discourse have materialized and evolved to make sense of contemporary events Social work professionals researchers and students must therefore need to be apprised of current thinking research and discourse in the field of integration Valtonen familiarizes the reader with the variation in national

policies institutional arrangements and service responses which all provide rich contrasts and insights into a breadth of policy possibilities Since macro level developments in migration carry direct implications for social work as a discipline and a profession with a central stake and role in immigrant wellbeing this book provides salient information to help with visioning in the profession defining appropriate and concerted responses and building robust standing in the field as well as promoting the linking of disciplinary and multidisciplinary research with practice **TASKs for Democracy** Josef Huber

(Educator), Pascale Mompont-Gaillard, Ildikó Lázár, 2015 This publication contains a rationale for the necessity to focus on competences for democracy in all areas of education an explanation of what transversal attitudes skills and knowledge mean and why they are important for and should be taken on board by all education professionals A list of components forms the heart of the publication describing the core attitudes skills and knowledge which need to be developed by every individual in order to be able to live in and to contribute to the development and maintenance of democratic societies in their full diversity The collection of learning and re learning activities will help practitioners to promote the development of these components in their day to day educational practice **Illdisciplined Gender** Jacob Bull, Margaretha Fahlgren, 2015-11-19 This volume

offers some of the outputs challenges and opportunities created in an interdisciplinary programme that was set up to engage multi inter and transdisciplinary perspectives on issues at the intersections of nature and culture sex and gender When working with mass spectrometers microscopes discourse analysis or interviews one rarely has to explain them to colleagues They are the tools used But when working in inter or transdisciplinary settings such tools require explanations These conversations make evident that trans and interdisciplinary gender research is a not just a novelty requiring an adjectival prefix trans or inter it is something done performed practiced Moreover it is something done in particular spaces a consequence of particular meetings transgressive encounters This collection is built on work conducted under the GenNa Nature Culture and Transgressive Encounters Research Programme funded by the Swedish research council It brings together a range of scholars from the humanities natural physical life and social sciences by so doing it reflects on the challenges risks and opportunities of doing trans and interdisciplinary work The result is a collection that uses a multitude of tools to examine issues such as sexual difference hydro power exploitation research seminars dairy farming the spaces between molecules film and identity They are witness to the diversity created through transgressive encounters and illustrations of doing inter and transdisciplinary research *Searching for New Welfare Models* Rolf Solli, Barbara

Czarniawska, Peter Demediuk, Dennis Anderson, 2020-10-29 This book explores the ways in which different generations think about how the welfare state is organised at present and how it will be organised in future Using the results of a study from Canada Australia and Sweden the book s findings complement more traditional studies of the welfare sector capturing the anxieties of citizens about the present and future of their countries welfare models and presenting their thoughts on how the system can be re organised in future Positioning their three country study within the history of the welfare state around the

world the authors seek to re assess the role of the welfare state in governments around the world Their findings will be of interest to those studying welfare policy as well as innovations such as basic income e health and policy responses to automisation

Clueless Lesley Speed,2017-07-14 *Clueless* American Youth in the 1990s is a timely contribution to the increasingly prominent academic field of youth film studies The book draws on the social context to the film s release a range of film industry perspectives including marketing audience reception and franchising as well as postmodern theory and feminist film theory to assert the cultural and historical significance of Amy Heckerling s film and reaffirm its reputation as one of the defining teen films of the 1990s Lesley Speed examines how the film channels aspects of Anita Loos 1925 novel *Gentlemen Prefer Blondes* the 1960s television series *Gidget* and Jane Austen s *Emma* to present a heightened optimistic view of contemporary American teenage life Although seemingly apolitical Speed makes the case for *Clueless* as a feminist exploration of relationships between gender comedy and consumer culture centring on a contemporary version of the dumb blonde type The film is also proved to embrace diversity in its depiction of African American characters and contributing to an increase in gay teenagers on screen Lesley Speed concludes her analysis by tracking the rise of the *Clueless* franchise and cult following Both helped to cement the film in popular consciousness inviting fans to inhabit its fantasy world through spinoff narratives on television and in print public viewing rituals revivalism and vintage fashion

Bodies, Beings, and the Multiple Burial Rite of the Western Viking World Claire F. Ratican,2024-09-25 This book explores multiple burials the presence of more than one individual within a grave within the Viking Age mortuary landscape throughout Scandinavia and the lands of their westward diaspora Even though a number of spectacular examples have captured the imagination of professionals and the public alike multiple burials have not been the subject of dedicated and systematic archaeological investigation By adopting a perspective grounded in relationality and an analysis that centres on three types of beings humans animals and things this book explores the ways in which each being entered into entangled relationships with the other thereby mutually constituting the nature of their existence in Viking Age minds For the first time the corpus of Viking Age multiple burials located across the lands of the Western Scandinavian diaspora and their counterparts in the urban trading centres of Kaupang Norway and Hedeby formerly Denmark is synthesised into a single study firmly situating the multiple burial rite within the wider suite of normative burial practices observed across the Viking

World The book meaningfully engages with a developing discourse in the Scandinavian tradition increasingly revealing the fluidity of being across human animal and thing bodies in Iron Age mentalities and material culture Ultimately it poses the question are humans animals and things similar forms of bodies and beings in the Viking World This book will appeal to students and researchers of death and burial in the Viking World
