

Football

Football is a sport of roughness
Although it takes some skill,

It just takes practice to get you over the top of that hill
But as they say, practice makes perfect,

The practice might get rather hectic
As people start to get mad,

After the game if sure you will be glad
Even if you don't win the game,

It's not all about the fame
The game is just for fun,

If you just get it done,
Im sure it will be great.
