China's Compliance with World Trade Organization Obligations: A Review of China's First Two Years of Membership

Terence Stewart, 2021-11-22 This book takes a look at the first two years of China's membership in the WTO and attempts to assess the level of China's WTO compliance achieved to date and the problems that remain ahead. In particular, the book examines China's modification to its laws and regulations, China's participation in WTO committee work and technical assistance programs available to China from the WTO, the US and other member nations. How effectively the WTO's first and second Transitional Review Mechanisms have operated. The US-China bilateral relationship and structures in place for discussion of US-China trade issues and major WTO compliance issues. The monitoring of China's WTO compliance by the US government and private sector groups as well as a survey of the important compliance issues that arose in the first two years of China's WTO membership. The use made by the US of transitional rights outlined in China's accession agreement, in particular the textile and product-specific safeguards and the non-market economy methodology used in antidumping proceedings concerning products from China. Published under the Transnational Publishers imprint.

Business Ethics
Richard A. Spinello, 2019-01-24 The future of the free market depends on fair, honest business practices. *Business Ethics: Contemporary Issues and Cases* aims to deepen students' knowledge of ethical principles, corporate social responsibility, and decision making in all aspects of business. The text presents an innovative approach to ethical reasoning grounded in moral philosophy. Focusing on corporate purpose, creating economic value, complying with laws and regulations, and observing ethical standards, a decision-making framework is presented based upon Duties, Rights, Justice. Over 40 real-world case studies allow students to grapple with a wide range of moral issues related to personal integrity, corporate values, and global capitalism. Richard A. Spinello delves into the most pressing issues confronting businesses today, including sexual harassment in the workplace, cybersecurity, privacy, and environmental justice. Give your students the SAGE edge. SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students.
