It's filled with the critical information you'll need in order to do well on the test: the concepts, procedures, principles, and vocabulary that the Graduate Management Admission Council (GMAC) expects you to have mastered before sitting for the exam. The guide is full of specific and detailed information that will be key to increasing your GMAT score. Concepts and principles aren't simply named or described in passing but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual GMAT test. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for our test preparation guides, and our GMAT Test Prep GMAT Secrets Study Guide is no exception. It's an excellent investment in your future.
