## **Gnostic Surrealism Robzart:**

**Gnostic Surrealism: Robzart** MR Robert C. Stanley, 2014-11-01 Robert C Stanley's creative genius has captured through his subconscious mind his paintings drawings that have brought the much needed information they contain to the forefront of the viewers mind Spanning over 54 years Robert has won many art awards and still produces the most unique works of painting and sculpture He has compiled a story of his own life and combined it with the universal life story on Mother Earth A truly remarkable book collection of drawings paintings with a story told with each painting that will shock many with the information it contains Robert's work will take you on a journey of discovering yourself and the world you didn't know existed Robert and many like him have broken free of the conditioning and intense programming put upon us throughout our lives by a system designed to keep us all asleep to who we really are and the knowledge of the secret adversary inside our very heads

**The Esoteric Secrets of Surrealism** Patrick Lepetit, 2014-04-24 A profound understanding of the surrealists connections with alchemists and secret societies and the hermetic aspirations revealed in their works Explains how surrealist paintings and poems employed mythology gnostic principles tarot voodoo alchemy and other hermetic sciences to seek out unexplored regions of the mind and recover lost psychic and magical powers Provides many examples of esoteric influence in surrealism such as how Picasso's *Demoiselles d'Avignon* was originally titled *The Bath of the Philosophers* Not merely an artistic or literary movement as many believe the surrealists rejected the labels of artist and author bestowed upon them by outsiders accepting instead the titles of magician alchemist or in the case of Leonora Carrington and Remedios Varo witch Their paintings poems and other works were created to seek out unexplored regions of the mind and recover lost psychic and magical powers They used creative expression as the vehicle to attain what Andr Breton called the supreme point the point at which all opposites cease to be perceived as contradictions This supreme point is found at the heart of all esoteric doctrines including the Great Work of alchemy and enables communication with higher states of being Drawing on an extensive range of writings by the surrealists and those in their circle of influence Patrick Lepetit shows how the surrealists employed mythology gnostic principles tarot voodoo and alchemy not simply as reference points but as significant elements of their ongoing investigations into the fundamental nature of consciousness He provides many specific examples of esoteric influence among the surrealists such as how Picasso's famous *Demoiselles d'Avignon* was originally titled *The Bath of the Philosophers* how painter Victor Brauner drew from his father's spiritualist vocation as well as the Kabbalah and tarot and how doctor and surrealist author Pierre Mabille was a Freemason focused on finding initiatory paths where it is possible to feel a new system connecting man with the universe Lepetit casts new light on the connection between key figures of the movement and the circle of adepts gathered around Fulcanelli He also explores the relationship between surrealists and Freemasonry Martinists and the Elect Cohen as well as the Grail mythos and the Arthurian brotherhood

*Surrealism and the Occult* Nadia Choucha, 1992-10 Searching for a deeper understanding of the power and

influence of surrealist art Nadia Choucha clearly confirms that many surrealists and their predecessors were steeped in magical ideas The Theosophical involvement of Kandinsky the visionary paintings of Salvador Dali the alchemy of Pablo Picasso and the shamanism of Max Ernst and Leonora Carrington all demonstrate the fundamental and dynamic impact of magic and mysticism on surrealism Surrealist artists believed that society had much to learn from the unconditioned spontaneous forms of art produced by spiritual mediums children untutored artists and the insane In their attempt to tap the unconscious regions of the mind the surrealists borrowed imagery from alchemy the Tarot Gnosticism Tantra and other esoteric traditions and sought inspiration from ancient myths irrational thought and ethnic art Enhanced by both color and black and white reproductions of fine art Choucha s account explains the intimate connections between occult and surrealist philosophies and provides an essential key to the mysteries of the surrealist movement and the forces that give it life Back cover
