The Fight for Local Control Campbell F. Scribner, 2016-05-12 Throughout the twentieth century local control of school districts was one of the most contentious issues in American politics As state and federal regulation attempted to standardize public schools conservatives defended local prerogative as a bulwark of democratic values Yet their commitment to those values was shifting and selective In *The Fight for Local Control* Campbell F Scribner demonstrates how in the decades after World War II suburban communities appropriated legacies of rural education to assert their political autonomy and in the process radically changed educational law Scribner's account unfolds on the metropolitan fringe where rapid suburbanization overlapped with the consolidation of thousands of small rural schools Rural residents initially clashed with their new neighbors but by the 1960s the groups had rallied to resist government oversight What began as residual opposition to school consolidation would transform into campaigns against race based busing unionized teachers tax equalization and secular curriculum In case after case suburban conservatives carved out new rights for local autonomy stifling equal educational opportunity Yet Scribner also provides insight into why many conservatives have since abandoned localism for policies that stress school choice and federal accountability In the 1970s as new battles arose over unions textbooks and taxes districts on the rural suburban fringe

became the first to assert individual choice in the form of school vouchers religious exemptions and a marketplace model of education At the same time they began to embrace tax limitation and standardized testing policies that checked educational bureaucracy but bypassed local school boards The effect Scribner concludes has been to reinforce inequalities between districts while weakening participatory government within them keeping the worst aspects of local control in place while forfeiting its virtues Classroom Management Training Handbook Howard Seeman,2014-08-14 The Classroom Management Training Handbook is cued to the textbook Preventing Classroom Disruptive Behavior Grades K 12 Fourth Edition It uniquely provides private confidential self training for a troubled teacher or it can be used by professors of education teacher trainers or school administrators to train or repair the problems teachers have in their classrooms This book includes Teachers Share Their Similar Problems Solutions for Each Chapter of the TextSelf Training Exercises for Each Chapter of the TextAvailability of the DVD that demonstrates in live action the concepts in the TextChecklists for Each Chapter in the TextAccess to the Author to Consult with Him Confidentially Online **The School Librarian** ,2003 Go Ask Alice Christina Stone,Teacher's Pet Publications,2008-03 Essentially a complete teacher s manual for the novel this LitPlan Teacher Pack includes lesson plans and reproducible resource materials for Go Ask Alice It includes 20 Daily LessonsShort answer study questionsMultiple choice quiz questionsVocabulary worksheets for each reading assignment3 detailed writing assignmentsIndividual and group activitiesCritical thinking discussion questions5 unit tests 2 short answer 2 multiple choice 1 advanced Evaluation formsReview puzzles gamesBulletin board ideasReproducible student materialsAnd more These materials are geared for whole class use but are very easily adaped for independent study work lit circles or book groups home school use or tutoring If you have never taught this book before this manual will give you a great foundation of materials on a variety of levels If you have taught this book before you might like to know that veteran teachers have told us they have found our LitPlan Teacher Pack manuals to be different from many other materials they have seen and very helpful

You're Teaching My Child What? Miriam Grossman,2009-08-04 If you think sex education is still about the birds and the bees think again And it s not about science either In her shocking expos You re Teaching My Child What Dr Miriam Grossman rips back the curtain on sex education today exposing a sordid truth Today s sex ed programs aren t based on science they re based on liberal lies and politically correct propaganda that promote the illusion that children yes children can be sexually free without risk As a psychiatrist and expert on sexual education Dr Grossman cites example after example of schools and organizations whitewashing or omitting altogether crucial information that doesn t fit in with their PC agenda Instead sex educators only tell teens the facts of life that promote acceptance sexual exploration and experimentation What sex educators call an education scientists would call a scam Sex educators won t tell girls their bodies are biologically and chemically more susceptible to STDs they will only say 3 million girls have a sexually transmitted infection Educators say it s natural for children to explore their sexuality from a young age and only they can decide when it s right to have sex the real

truth is neurobiologists say teen brains are not developed to fully reason and weigh consequences especially in the heat of the moment Teens are told condoms vaccines and yearly testing provide adequate protection without being told that studies now show condoms are no match for herpes HPV and gonorrhea In *You're Teaching My Child What Dr Grossman reveals biological truths that you won't find in today's classrooms* *You're Teaching My Child* What is critical reading for parents with teens and instrumental in teaching children the truth about sex **Lesson Plans for Teachers in Nature-study**
