God And Evidence Problems For Theistic Philosophers

Justin P. McBrayer, Daniel Howard-Snyder

God And Evidence Problems For Theistic Philosophers:

God and Evidence Rob Lovering, 2013-06-20 God and Evidence presents a new set of compelling problems for theistic philosophers. The problems pertain to three types of theistic philosopher which Lovering defines here as theistic inferentialists, theistic non-inferentialists, and theistic fideists. Theistic inferentialists believe that God exists that there is inferential probabilifying evidence of God's existence and that this evidence is discoverable not simply in principle but in practice. Theistic non-inferentialists believe that God exists that there is non-inferential probabilifying evidence of God's existence and that this evidence is discoverable not simply in principle but in practice. Theistic fideists believe that God exists that there is no discoverable probabilifying evidence inferential or non-inferential of God's existence and that it is nevertheless acceptable morally if not otherwise to have faith that God exists. Lovering argues that each type of theistic philosopher faces a problem unique to his type and that they all share two particular problems. Some of these problems take us down an entirely new discursive path, others down a new discursive path branching off from an old one. **Is God the**

Best Explanation of Things? Joshua Rasmussen, Felipe Leon, 2019-07-27 This book provides an up-to-date high-level exchange on God in a uniquely productive style. Readers witness a contemporary version of a classic debate as two professional philosophers seek to learn from each other while making their cases for their distinct positions. In their dialogue, Joshua Rasmussen and Felipe Leon examine classical and cutting-edge arguments for and against a theistic explanation of general features of reality. The book also provides original lines of thought based on the authors' own contributions to the field and offers a productive and innovative inquiry into one of the biggest questions people ask: what is the ultimate explanation of things.

The Epistemology of Spirit Beliefs Hans Van Eyghen, 2023-04-14 This book assesses whether belief in spirits is epistemically justified. It presents two arguments in support of the existence of spirits and arguments that experiences of various sorts, perceptions, mediumship, possession, and animistic experiences can lend justification to spirit beliefs. Most work in philosophy of religion exclusively deals with the existence of God or the epistemic status of belief in God. Spirit beliefs are often regarded as aberrations, and the falsity of such beliefs is often assumed. This book argues that various beliefs concerning spirits can be regarded as justified when they are rooted in experiences that are not defeated. It argues that spirit beliefs are not defeated by recent theories put forth by neuroscientists, cognitive scientists, or evolutionary biologists. Additional arguments are made that traditional theistic belief is epistemically linked to spirit beliefs and that unusual events can be explained in terms of spirit activity. The book draws on theistic arguments, phenomenal conservatism, and defenses of religious experiences to argue for the justification of spirit beliefs. The arguments draw on examples from various religious traditions ranging from Christianity and Islam to Haitian Vodou and Tibetan Bon. The Epistemology of Spirit Beliefs will be of interest to researchers and advanced students working in philosophy of religion, religious epistemology, ethnography, and cognitive neuroscience. *The Palgrave Handbook of Philosophy and Psychoactive Drug Use* Rob

Lovering,2024-10-14 In this Handbook philosophers from around the world address the metaphysics epistemology and value of psychoactive mind altering drug use In so doing they attempt to answer questions such as What does the fact of drug induced mind altering experiences tell us about natures of the mind free will and God What does it tell us about what and how we can know Are drug induced mind altering experiences valuable morally aesthetically or otherwise Is the acquisition of drug induced mind altering experiences ever immoral Should the acquisition of drug induced mind altering experiences ever be legally prohibited The Handbook gives an overview of the current research and sets the stage for future directions in philosophical thought relating to psychoactive drug use *Panpsychism* Godehard Brüntrup,Ludwig Jaskolla,2017 Recent debates in philosophy of mind have resulted in an impasse which lead to a renaissance of panpsychism as a viable alternative Panpsychism is the thesis that mental being is a fundamental and ubiquitous feature of the universe This book collects many of the most recent voices arguing for panpsychism as a genuine alternative in analytic philosophy of mind in the 21st century as well as some of the most prominent critics *A Moral Defense of Recreational Drug Use* Rob Lovering,2015-08-12 Why does American law allow the recreational use of some drugs such as alcohol tobacco and caffeine but not others such as marijuana cocaine and heroin The answer lies not simply in the harm the use of these drugs might cause but in the perceived morality or lack thereof of their recreational use Despite strong rhetoric from moral critics of recreational drug use however it is surprisingly difficult to discern the reasons they have for deeming the recreational use of some drugs morally wrong In this book Rob Lovering lays out and dissects various arguments for the immorality of using marijuana cocaine heroin and other drugs recreationally He contends that by and large these arguments do not succeed Lovering s book represents one of the first works to systematically present analyze and critique arguments for the moral wrongness of recreational drug use Given this as well as the popularity of the morality based defense of the United States drug laws this book is an important and timely contribution to the debate on the recreational use of drugs *A Moral Defense of Prostitution* Rob Lovering,2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution s immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world s oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic *On the Moral Right to Get High* Rob Lovering,2025-06-29 Is getting high immoral In this book Rob Lovering defends the claim that it is not More specifically he argues that recreational drug use of which getting high is a token is neither intrinsically nor generally extrinsically immoral In other words he contends that recreational drug use is neither immoral in and of itself nor generally immoral due to an immoral making factor with which it may be contingently linked e g harm Lovering does so by offering two arguments for

recreational drug use s ultima facie all things considered moral permissibility and critiquing twenty four arguments for its immorality Meant to be a companion to Lovering s A Moral Defense of Recreational Drug Use Palgrave Macmillan 2015 which was written for a general audience this book is written for an academic specifically philosophical audience and explores recreational drug use in a deeper more philosophically and empirically rigorous way *Against Religion, Wars, and States* Andrew Fiala,2013-08-15 In *Against Religion Wars and States* The Case for Enlightenment Atheism Just War Pacifism and Liberal Democratic Anarchism Andrew Fiala argues that societally we must radically redefine our goals A renewed focus on global justice a heightened criticism of religion and a fuller embrace of enlightened humanism and the sciences are just some of the ways in which we can begin to address some of the problems endemic to our society and ultimately bring about more lasting peace Fiala argues both theoretically and empirically moving from analyses of theology ethics and political philosophy to case studies and data mined from these respective disciplines and from the fallout of recent world events involving all three Fiala attempts to wean us off of our deferral to the oppressive forces that spark movements like Occupy and the Arab Spring forces that manifest themselves in the brutal drug wars along our borders and in the currently fractious and bigoted rhetoric of some of our most powerful political and religious leaders *Against Religion Wars and States* provides a provocative unified and revolutionary critical theory for all who are skeptical of the religious political and military powers that be and points the way towards a more peaceful just and reasoned future **250 Arguments for Atheism** Jan Bryxi,2025-03-03 This book presents 250 compelling arguments for atheism challenging both personal and impersonal deistic concepts of God It is designed for everyone from the casual reader to the dedicated philosophy enthusiast Even if you choose to skip some of the more complex arguments your personal selection will still sharpen your critical thinking and deepen your understanding of the subject If you approach this book objectively and without bias its arguments may lead you to abandon belief in any form of God **Gratuitous Suffering and the Problem of Evil** Bryan Frances,2013 *Gratuitous Suffering and the Problem of Evil* A Comprehensive Introduction is among the first book length discussions of theistic approaches to the problem of evil Bryan Frances s lucid analyses of a variety of possible responses to the problem of evil will provide serious students or general readers much material with which to consider this ancient and contemporary concern The book offers many useful pedagogical features including chapter overviews study questions summaries and suggested readings *The Blackwell Companion to The Problem of Evil* Justin P. McBrayer,Daniel Howard-Snyder,2014-01-14 *The Blackwell Companion to the Problem of Evil* presents a collection of original essays providing both overview and insight clarifying and evaluating the philosophical and theological problem of evil in its various contexts and manifestations Features all original essays that explore the various forms of the problems of evil offering theistic responses that attempt to explain evil as well as discussion of the challenges facing such explanations Includes section introductions with a historical essay that traces the developments of the issues explored Acknowledges the fact that there are many problems of evil some of which apply only to those who

believe in concepts such as hell and some of which apply to non theists Represents views from the various religious traditions including Hindu Jewish Christian and Muslim **The Ultimate South Park and Philosophy** Robert Arp, Kevin S.

Decker, 2013-06-27 Enlightenment from the South Park gang faster than you can say Screw you guys I m going home The Ultimate South Park and Philosophy Respect My Philosophah presents a compilation of serious philosophical reflections on the twisted insights voiced by characters in TV s most irreverent animated series Offers readers a philosophically smart and candid approach to one of television s most subversive and controversial shows as it enters its 17th season Draws sharp parallels between the irreverent nature of South Park and the inquiring and skeptical approach of Western philosophy Journeys deep beyond the surface of the show s scatological humor to address the perennial questions raised in South Park and the contemporary social and political issues that inspire each episode Utilizes familiar characters and episodes to illustrate such philosophical topics as moral relativism freedom of expression gay marriage blasphemy democracy feminism animal ethics existential questions and much more It s a Bigger Longer Uncut version of the highly acclaimed South Park and Philosophy You Know I Learned Something Today and is guaranteed to be much funnier than killing Kenny *Central Issues of Philosophy* John Shand, 2009-06-02 Comprising 20 free standing chapters written by specialists in their respective fields Central Issues of Philosophy provides novice readers with the ideal accessible introduction to all of philosophy s core issues An accessible introduction to the central issues of philosophy Organized around key philosophical issues ranging from truth knowledge and reality to free will ethics and the existence of God Provides beginning students with the information and skills to delve deeper into philosophical fields of study Each chapter is written by an experienced teacher *The Problem of Evil* Michael L. Peterson, 2016-11-15 Of all the issues in the philosophy of religion the problem of reconciling belief in God with evil in the world arguably commands more attention than any other For over two decades Michael L Peterson s The Problem of Evil Selected Readings has been the most widely recognized and used anthology on the subject Peterson s expanded and updated second edition retains the key features of the original and presents the main positions and strategies in the latest philosophical literature on the subject It will remain the most complete introduction to the subject as well as a resource for advanced study Peterson organizes his selection of classical and contemporary sources into four parts important statements addressing the problem of evil from great literature and classical philosophy debates based on the logical evidential and existential versions of the problem major attempts to square God s justice with the presence of evil such as Augustinian Irenaean process openness and felix culpa theodicies and debates on the problem of evil covering such concepts as a best possible world natural evil and natural laws gratuitous evil the skeptical theist defense and the bearing of biological evolution on the problem The second edition includes classical excerpts from the book of Job Voltaire Dostoevsky Augustine Aquinas Leibniz and Hume and twenty five essays that have shaped the contemporary discussion by J L Mackie Alvin Plantinga William Rowe Marilyn Adams John Hick William Hasker Paul Draper Michael Bergmann Eleonore Stump Peter van Inwagen

and numerous others Whether a professional philosopher student or interested layperson the reader will be able to work through a number of issues related to how evil in the world affects belief in God

A New Theist Response to the New Atheists Kevin Vallier, Joshua Rasmussen, 2019-11-11 In response to the intellectual movement of New Atheism this volume articulates a New Theist response that has at its core a desire to engage in productive and depolarizing dialogue To ensure this book is of interest to atheists and theists alike a team of experts in the field of philosophy of religion offer an assessment of the strongest New Atheist arguments The chapters address the most pertinent questions about God including politics and morality and each essay shows how a reflective theist might deal with points raised by the New Atheists This volume is a serious academic engagement with the questions asked by New Atheism As such it will be of significant interest to scholars working in the philosophy of religion and theology as well as those engaged in religious studies generally

Probability in the Philosophy of Religion Jake Chandler, Victoria S. Harrison, 2012-04-26 These specially written essays show that philosophy of religion is fertile ground for the application of probabilistic thinking The authors examine central topics in the field the status of evidence relating to the question of the existence of God the rationality of religious belief and the epistemic significance of religious disagreement

The Case Against Theism Raphael Lataster, 2018-06-14 This monograph offers a critique of arguments for the existence of a specifically Christian God advanced by prominent scholar William Lane Craig The discussion incorporates philosophical mathematical scientific historical and sociological approaches The author does not seek to criticize religion in general or Christianity specifically Rather he examines the modern and relatively sophisticated evidential case for Christian theism Scholars have been arguing for theism or naturalism for centuries and there seems little to add to the discussion especially from the theistic side However to assume that either theism or naturalism obtains is a false dichotomy There are alternatives to both that merit consideration Employing a probabilistic approach the author advances this discussion His work uniquely utilizes not only naturalistic hypotheses to argue against theism It also presents supernaturalistic hypotheses This leaves no question that theism is almost certainly false even if some form of divine reality exists This project seeks not to argue that Christianity or any other faith or religion is undesirable but only to critically examine evidentialist claims posited by Christianity's learned apologists In fact a major secondary aim is to consider alternative god conceptions such as polytheism and pantheism This work aims to highlight that Christian theism is often granted special privileges by theistic philosophers of religion which seems doubly inappropriate when certain alternative god conceptions may even prove to be more plausible

The Routledge Companion to Theism Charles Taliaferro, Victoria S. Harrison, Stewart Goetz, 2013 There are deep and pervasive disagreements today in universities and colleges and popular culture in general over the credibility and value of belief in God This has given rise to an urgent need for a balanced comprehensive accessible resource book that can inform the public and scholarly debate over theism While scholars with as diverse interests as Daniel Dennett Terry Eagleton Richard Dawkins Jrgen Habermas and Rowan Williams have recently

contributed books to this debate theism as a concept remains poorly understood and requires a more thorough and systematic analysis than it has so far received in any single volume The Routledge Companion to Theism addresses this need by investigating theism's history as well as its relationship to inquiry in the sciences social sciences and humanities and to its wider cultural contexts The contents are not confined within the philosophy of religion or even within the more expansive borders of philosophy Rather The Routledge Companion to Theism investigates its subject through the lens of a wide variety of disciplines and explores the ramifications of theism considered as a way of life as well as an intellectual conviction The five parts of the volume indicate its inclusive scope I What is Theism II Theism and Inquiry III Theism and the Socio Political Realm IV Theism and Culture V Theism as a Way of Life The result is a well ordered and thorough collection that should provide a wide spectrum of readers with a better understanding of a subject that's much discussed but frequently misunderstood As the editors note in their Introduction while stimulating and informing the contemporary debate a key aim of the volume is to open new avenues of inquiry into theism and thereby to encourage further research into this vital topic Comprised of 54 essays by leading scholars in philosophy history theology religious studies political science education and sociology The Routledge Companion to Theism promises to be the most useful comprehensive resource on an emerging subject of interest for students and scholars

Christian Philosophy J. Aaron Simmons, 2019 One of the marks of being a philosopher is participating in debates about what counts as philosophy Of particular note in such debates is the question of how to distinguish philosophy from theology Although a variety of answers to this question have been offered in the history of philosophy in recent decades the prominence of Christian philosophy has been heralded by many as a genuine triumph over the problematic narrowness of strong foundationalism positivism and scientism For others however it signals that philosophy continues to risk being replaced by confessional theology Wherever one comes down on such issues and however one interprets recent trends in philosophy of religion the idea of Christian philosophy continues to present pressing questions for those working in meta philosophy epistemology metaphysics hermeneutics and value theory In this volume established scholars representing a variety of cultural traditions religious perspectives and philosophical priorities all wrestle with how the idea of Christian philosophy should be understood appropriated and engaged in light of where philosophy is and where it is likely to go The volume includes classical essays that have deeply marked the field and also new essays that explore the relevance of Christian philosophy to issues in disability studies engaged pedagogy lived phenomenology the academic study of religion and the workings of social power Rather than offer a unified view that seeks to settle things the contributors demonstrate that Christian philosophy remains a topic of lively debate Wherever one comes down on the issues considered here this volume shows that Christian philosophy is neither merely of historical interest nor of interest only to Christians but instead remains a thoroughly philosophical topic worthy of serious consideration and substantive critique With a Foreword by Nicholas Wolterstorff Noah Porter Professor Emeritus of Philosophical Theology at Yale University Senior Research Fellow

in the Institute for Advanced Studies in Culture at the University of Virginia and Honorary Professor of Australian Catholic University

God And Evidence Problems For Theistic Philosophers Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**God And Evidence Problems For Theistic Philosophers**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

God And Evidence Problems For Theistic Philosophers Introduction

In the digital age, access to information has become easier than ever before. The ability to download God And Evidence Problems For Theistic Philosophers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download God And Evidence Problems For Theistic Philosophers has opened up a world of possibilities. Downloading God And Evidence Problems For Theistic Philosophers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading God And Evidence Problems For Theistic Philosophers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download God And Evidence Problems For Theistic Philosophers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading God And Evidence Problems For Theistic Philosophers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading God And Evidence Problems For Theistic Philosophers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected

websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download God And Evidence Problems For Theistic Philosophers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About God And Evidence Problems For Theistic Philosophers Books

What is a God And Evidence Problems For Theistic Philosophers PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a God And Evidence Problems For Theistic Philosophers PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a God And Evidence Problems For Theistic Philosophers PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a God And Evidence Problems For Theistic Philosophers PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a God And Evidence Problems For Theistic Philosophers PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors

like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
