Homosexuality and Following Jesus Paul Flaman, 2014-05-14 JESUS PRAYER WAS THAT ALL MAY BE ONE In this clear concise and compelling book Paul Flaman addresses ways in which we can contribute to fulfilling this foundational prayer of the Christian life when it comes to the issue of homosexuality an issue that has caused much division in countries churches and families around the world Flaman argues that Jesus example and teaching help us to focus on what is most important including his call for us to treat others the way we would like to be treated respond to the real needs of others in loving others as he loves us live according to the truth take up our cross to find fullness of life avoid sexual immorality and forgive and be reconciled and healed As someone who has lived with same sex attraction I found Homosexuality and Following Jesus to be a very encouraging and thought provoking work ANONYMOUS highly recommended for Christians and non Christians alike EUGENE RATSOY Professor Emeritus of Education University of Alberta helps us move beyond an often sterile debate full of well worn arguments REV SEAN LARKIN Anglican Bishop uniquely explores how our approach to individuals with same sex attraction must reflect the teachings and the love of Christ REV PAUL CHECK Executive Director Courage International

**God's Grace and the Homosexual Next Door** Alan Chambers, God, Grace, Homosexuals, Heterosexuals Cindy Krueger, 2015-01-19 For a majority homosexuality is an aggravation on the fringe of life that is until one day it personally involves them Today the voices of mankind are heard but too often they are in direct conflict with one another So who do you listen to After years of longing for peace it appeared I had one avenue open to me In the end Solo Fide faith alone is left Jesus said Come unto me I am humble of heart and I will give you rest and Call to me and I will answer you and tell you great and unsearchable things you do not know I decided to simply take God at His word If you are lost unsure feeling all alone and not sure who to trust with your painful thoughts and questions please know you no longer need to struggle by yourself I am with you so now there are two of us and I will support you through out your own journey so that you also can finally rest secure in the arms of God knowing you are blessed and free as you move forward with your child family member or friend who needs you This book covers subjects such as when your child comes out of the closet why you the parent need to follow and come out of your own closet why the laws of Leviticus no longer police the lives of New Testament Christians why you need to verbalize what you believe about LGBTQ s in your own heart and stop mimicing the words of others how scripture in it s entirety speaks to the subject of sexual and gender diverse individuals why we need to learn to wrestle with scripture and how God s actions may speak louder than Biblical words These discussions and more will move you toward a greater understanding of what is really involved if we as a society of caring people want to move forward to a positive future with human rights for all people Finally knowing your own heart and mind will allow you to understand not all leaders and speakers comprehend what they are so eager to speak out against our loved ones and their complicated very misunderstood lives This is my story a mother of two homosexual children I include the steps I took to chisel away the

walls separating my family closing off our hearts and destroying our peace The public risk of being personally rejected is all mine the faith to risk is all from God This is a book about God s perfect grace My hope is you will gain a fuller understanding of the subject of homosexuality and the very real people who identify as sexually and gender diverse and your heart will be blessed I pray for healing in the lives of all
